Trinity River National Wildlife Refuge
Direction to the Page Public Use Area

From the intersection of Hwy 146 and Hwy 105

Head West go 4.4 miles on Hwy 105 to the West side of the Trinity River Bridge. As soon as you cross the bridge coming from Moss Hill you will need to turn south (hard left) like you are going under the bridge. Go about .1 miles and still heading south (turn right) down a dirt-road for .5 miles to the parking area.
