North Nucla 2D Seismic Survey
Montrose and Mesa Counties, CO

The Grand Mesa, Uncompahgre and Gunnison National Forests (GMUG) has issued a Decision for the Nucla North 2-D Seismic Survey.

The Decision authorizes a seismic survey on the Uncompahgre Plateau for the purpose of Geophysical Exploration which includes survey and drilling of source lines, survey and placement of receiver lines, and the use of a helicopter in order to support the activities. The authorization is subject to terms and conditions of a USDI-BLM & USDA-FS 'Authorization to Conduct Oil and Gas Geophysical Exploration Operations', including a set of 'Conditions of Approval' (COA) for preventing or controlling adverse impacts on surface resources and uses on NFS lands. The project meets the criteria of a category established by the Chief, in Forest Service Handbook 1909.15 Sec. 31.2 (category 8).

This decision is subject to administrative review pursuant to Federal Regulations at 36 CFR 215.11. Appeals (including attachments) must be in writing and filed (regular mail, fax, e-mail, hand-delivery, express delivery, or messenger service) with the Appeal Deciding Officer (§ 215.8) within 45 days following the date of publication of this legal notice. The publication date of this legal notice is the exclusive means for calculating the time to file an appeal (§ 215.15 (a)). Those wishing to appeal should not rely upon dates or timeframe information provided by any other source. Pursuant to 36 CFR 215.13 (b), only those individuals or organizations who submitted comments during the comment period may file an appeal.

The addresses for filing appeals are:

USDA, Forest Service, Region 2
Attn: Appeal Deciding Officer
740 Simms Street
Golden, CO 80410

Fax: 303-275-5134 to the attention of Appeals;

Email: appeals-rocky-mountain-regional-office@fs.fed.us;

It is an appellant's responsibility to provide sufficient activity-specific evidence and rationale, focusing on the decision, to show why the Responsible Official's decision should be reversed. At a minimum, an appeal must include the following (§215.14): (1) Appellant's name and address (§ 215.2), with a telephone number, if available; (2) Signature or other verification of authorship upon request (a scanned signature for electronic mail may be filed with the appeal);

(3) When multiple names are listed on an appeal, identification of the lead appellant (§ 215.2) and verification of the identity of the lead appellant upon request; (4) The name of the project or activity for which the decision was made, the name and title of the Responsible Official, and the date of the decision; (5) The regulation under which the appeal is being filed, when there is an option to appeal under either this part or part 251, subpart C (§ 215.11(d)); (6) Any specific change(s) in the decision that the appellant seeks and rationale for those changes; (7) Any portion(s) of the decision with which the appellant disagrees, and explanation for the disagreement; (8) Why the appellant believes the Responsible Official's decision failed to consider the substantive comments; and (9) How the appellant believes the decision specifically violates law, regulation, or policy. Notices of Appeal that do not meet the requirements of 36 CFR 215.14 will be dismissed.

Pursuant to 36 CFR 215.9(a), if no appeal is filed, implementation of this decision may occur on, but not before, the fifth day from the close of the appeal period.
