

Alternative 1

Legend

- Red Canyon trail
- Hornet Trail
- Aspen trail
- - - Level 1 Decommission
- Private Property

Decommission Levels

- Level 1 – Remove from transportation system atlas and do nothing on the ground.
- Level 2 – Sign only.
- Level 3 – Barricade and camouflage road template with slash and small trees to impede traffic.
- Level 4 – Physically barricade with permanent gates, fences, rock barricades, and tree planting.
- Level 5 – Rip and seed, construct earth barricades and water bars. Seed with native vegetation.
- Level 7 – Remove cross drains (culverts, rolling dips) and unstable fill.
