This competition focuses on projects designed to meet a priority in the regulations for this program (34 CFR 660.34(a)(2)).

Materials development: Projects to develop instructional materials for the languages or regions of the Near or Middle East, South Asia, Southeast Asia, Eastern Europe, Inner Asia, the Far East, Africa or Latin America.

Under 34 CFR 75.105(c)(3) we consider only applications that meet the priority.

Invitational Priorities

Within the absolute priority specified in this application notice, we are particularly interested in applications that meet the following invitational priorities.

Invitational Priority 1

The development of specialized materials for use in teaching the languages of the Islamic nations of the Middle East and Central Asia.

Invitational Priority 2

The development of specialized materials for use in teaching the languages of South Asia.

Under 34 CFR 75.105(c)(1) we do not give an application that meets one or more of the invitational priorities a competitive or absolute preference over other applications.

Instructions for Transmittal of Applications

Note: Some of the procedures in these instructions for transmitting applications differ from those in the Education Department General Administrative Regulations (EDGAR) 34 CFR 75.102. Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, these amendments make procedural changes

only and do not establish new substantive policy. Therefore, under 5 U.S.C. 553(b)(A), the Secretary has determined that proposed rulemaking is not required.
