professional school. The definition of *half-time* is the definition provided by the school in which the student is enrolled. An individual who needs to complete less than the equivalent of half an academic/vocational or technical courseload in the class enrollment period immediately prior to graduating is still considered a student for purposes of this program.

Students may work full-time or part-time schedules. There are no limitations on the number of hours a student can work per week, but the student's work schedule should not interfere with the student's academic schedule.

(3) *Breaks in program:* It is expected that students accepted into the Student Educational Employment Program will at all times either be working at the agency, enrolled in classes or both. However, agencies may use their discretion in either approving or denying a *break in program*. specific economic/income criteria to be eligible for either component of the Student Educational Employment Program. However, agencies have the option to establish and use financial need as a criteria to select students for either or both components of the Program, if they wish. OPM will no longer develop or distribute annual economic guidelines for use in determining financial need. An agency wishing to continue use of the Department of Health and Human Services poverty guidelines may call the Department of Health and Human Services, Office of the Assistant Secretary for Planning and Evaluation on (202) 690-6141.
