

Year-End Information Quality Report

I. Requests for Correction Received FY 2003

Department Name: U.S. Nuclear Regulatory Commission

Period Covered: October 1, 2002 through September 30, 2003

Agency Name	Number of Requests Received	Number Designated as Influential
US NRC	None	n/a

Note: NRC received one request that cited the Information Quality Guidelines. However, the agency determined the information correction request was specifically exempt from NRC's guidelines because it was a submission to Congress containing information that the NRC had previously disseminated to the public. Furthermore, the agency determined that the information was correct.
