## OFFICE OF PERSONNEL MANAGEMENT

### 5 CFR Part 843

RIN 3206-AL31

#### Federal Employees' Retirement System; Present Value Conversion Factors for Spouses of Deceased Separated Employees

**AGENCY:** Office of Personnel Management.

**ACTION:** Interim rule.

**SUMMARY:** The Office of Personnel Management (OPM) is issuing an interim rule to revise the table of reduction factors for early commencing dates of survivor annuities for spouses of separated employees who die before the date on which they would be eligible for unreduced deferred annuities under the Federal Employees' Retirement System (FERS) Act of 1986. These rules are necessary to conform the tables to the economic assumptions adopted by the Board of Actuaries and published previously in the **Federal Register**.

**DATES:** This interim rule is effective December 19, 2007. We must receive your comments by January 18, 2008.

**ADDRESSES:** You may submit comments, identified by RIN number 3206-AL31, by any of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.
- *E-mail:* [combox@opm.gov](mailto:combox@opm.gov). Include RIN number 3206-AL31 in the subject line of the message.

- *Mail:* John Panagakos, Manager, Retirement Group, Office of Personnel Management, 1900 E Street NW., RM 4351, Washington, DC 20415.

**FOR FURTHER INFORMATION CONTACT:** Jessica Johnson, (202) 606-0299.

**SUPPLEMENTARY INFORMATION:** OPM has published a notice in the **Federal Register** at 72 FR 31631 (June 7, 2007) to revise the normal cost percentage under the Federal Employees' Retirement System (FERS) Act of 1986, Public Law 99-335, 100 Stat. 514, based on changed economic assumptions and demographic factors adopted by the Board of Actuaries of the Civil Service Retirement System. Those changed economic assumptions require corresponding changes in factors used to produce actuarially equivalent benefits when required by the FERS Act.

Section 843.311 of title 5, Code of Federal Regulations, regulates the benefits for the survivors of separated employees under 5 U.S.C. 8442(c). This section provides a choice of benefits for eligible current and former spouses. If the current or former spouse is the person entitled to the unexpended balance under the order of precedence under 5 U.S.C. 8424, he or she may elect to receive the unexpended balance instead of an annuity.

Alternatively, an eligible current or former spouse may elect to receive an annuity commencing on the day after the employee's death or on the deceased separated employee's 62nd birthday. If the annuity commences on the deceased separated employee's 62nd birthday, it equals 50 percent of the annuity that the separated employee would have received when he or she attained age 62. If the current or former spouse elects the earlier commencing date, the annuity is reduced using the factors in Appendix A to subpart C of part 843 to make the annuity actuarially equivalent to the present value of the annuity that he or she would have received if it commenced on the retiree's 62nd birthday. These rules amend that appendix to conform to the revised economic assumptions.

#### Waiver of General Notice of Proposed Rulemaking

Under section 553(b)(3)(B) and (d)(3) of title 5, United States Code, I find that good reason exists for waiving the general notice of proposed rulemaking and for making these amendments effective in less than 30 days. The amendments made by this rule are required by changes in economic assumptions that were published on June 7, 2007. Providing a comment period on the result of mathematical

computations resulting from the changed economic assumptions is unnecessary and, to the extent that it would delay benefit payments, is contrary to the public interest.

#### Executive Order 12866, Regulatory Review

This rule has been reviewed by the Office of Management and Budget in accordance with Executive Order (E.O.) 12866, as amended by E.O. 13258 and E.O. 13422.

#### Regulatory Flexibility Act

I certify that this regulation will not have a significant economic impact on a substantial number of small entities because the regulation will only affect retirement payments to surviving current and former spouses of former employees and Members who separated from Federal service with title to a deferred annuity.
