SUBJECT: CORRECTED CS 196 "CHILD SUPPORT SERVICES PROGRAM NOTICE"

REFERENCE: CSS LETTER NO. 01-14

This letter is to provide you with a corrected copy of the recently released CS 196 Form "Child Support Services Program Notice." It was brought to our attention that a typo was made in the forth paragraph, under the section titled "Your Rights." The first sentence of paragraph four now reads "The local child support agency must have the permission of a non-public assistance recipient before filing a stipulation affecting the support order in which that person is named as a party." The original CS 196 form said "public assistance recipient."

The Department has made this change to the JetFORM version of the CS 196 and it will also be reflected in translations of this form into other languages. We regret any inconvenience this may have caused local child support agencies.

If you have questions regarding this form, please contact Audrey King at (916) 464-5231 or [audrey.king@dcss.ca.gov](mailto:audrey.king@dcss.ca.gov). For information on JetFORM, please contact Kristy Johnson at (916) 464-5219 or [kristy.johnson@dcss.ca.gov](mailto:kristy.johnson@dcss.ca.gov).
