REFERENCE: CSS LETTER NO. 01-29

This letter is to provide you with corrected copies of the charts recently released in conjunction with CSS Letter No. 01-29, Repayment Sharing Ratios For Federal Fiscal Year 2002. The following errors were brought to our attention:

On page two, under AID CATEGORY, Federal, Foster Care, the State sharing ratio was inadvertently shown as .1944 and should have reflected .1940.

- On page three, under AID CATEGORY, Non-Federal, TANF – Timed Out Case, the State sharing ratio was inadvertently shown as .9750 and should have reflected .9500, and the County ratio was inadvertently shown as .0250 and should have reflected .0500.

New pages with the correct percentage ratios are being provided for your convenience in correcting these errors. If you have any questions or concerns regarding this matter, please contact Tonya Crawford-Comage at (916) 464-5224.

Sincerely,
