Eligible Applicants: Institutions of higher education that awarded during the preceding fiscal year, \$350,000 or more of Federal Pell Grant funds to students enrolled at the institution.

Applications Available: May 1, 2002.

Deadline for Transmittal of Applications: June 3, 2002.

Deadline for Intergovernmental Review: August 5, 2002.

Available Funds: \$8.4 million.

Estimated Average Size of Awards: \$84,000.

Estimated Number of Awards: 100.

Note: The Department is not bound by any estimates in this notice.

Project Period: 48 months.

Page Limit: The application narrative (Part C of the application in which the selection criteria are addressed) must be limited to the equivalent of no more than 50 pages using the following standards:

- A "page" is 8.5" x 11", on one side only, with 1" margins at the top, bottom, and both sides.

- Double space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions, as well as all text in charts, tables, figures, and graphs.

- Use a font that is either 12-point or larger or no smaller than 10 pitch (characters per inch).

The page limit does not apply to the cover sheet, the budget section, including the narrative budget justification, the assurances and certifications, the three-page abstract, the resumes, or the letters of support. However, you must include all of the application narrative in Part C.

We will reject your application if—

- You apply these standards and exceed the page limit; or
- You apply other standards and exceed the equivalent of the page limit.

Applicable Regulations: EDGAR in 34 CFR parts 74, 75, 77, 79, 82, 85, 86, 97, 98 and 99.

In preparing applications, applicants should pay particular attention to the requirements in section 427 of the General Education Provisions Act (GEPA), as detailed later in this notice. Applicants must address the requirements in section 427 in order to receive funding under this competition. Section 427 requires each applicant to describe the steps it proposes to take for addressing one or more barriers (i.e., gender, race, national origin, color, disability, or age) that can impede equitable access to, or participation in, the program. A restatement of compliance with civil rights requirements is not sufficient to meet the requirements in section 427 of GEPA. Because there are no program-specific regulations for the Child Care Access Means Parents In School Program, applicants are encouraged to read the authorizing statute in section 419N of the Higher Education Act of 1965, as amended (HEA).

Priority: Competitive Priority: Under 34 CFR 75.105 (c)(2)(i) and 20 U.S.C. 1070e(d) the Secretary gives preference to applications that leverage significant local or institutional resources, including in-kind contributions to support the activities, and use a sliding fee scale for childcare services provided

by a facility assisted under this grant in order to support a high number of low-income parents pursuing postsecondary education at the institution.

The Secretary awards up to 10 points to an application that meets this competitive priority. These points are in addition to any points the application earns under the selection criteria.

Selection Criteria: In evaluating an application for a new grant under this competition, the Secretary uses selection criteria under 34 CFR 75.209 and 75.210 of the Education Department General Administrative Regulations (EDGAR). The Secretary informs applicants in the application package of the selection criteria and factors, if any, to be used for this competition and of the maximum weight assigned to each criterion.

Application Procedures:

Note: Some of the procedures in these instructions for transmitting applications differ from those in the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.102). Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, these amendments make procedural changes only and do not establish new substantive policy. Therefore, under 5 U.S.C. 553(b)(A), the Secretary has determined that proposed rulemaking is not required.
