

nature and extent of the petitioner's property, financial, or other interest in the proceeding; and (3) the possible effect of any order which may be entered in the proceeding on the petitioner's interest. The petition should also identify the specific aspect(s) of the subject matter of the proceeding as to which petitioner wishes to intervene. Any person who has filed a petition for leave to intervene or who has been admitted as a party may amend the petition without requesting leave of the Board up to 15 days prior to the first prehearing conference scheduled in the proceeding, but such an amended petition must satisfy the specificity requirements described above.

Not later than 15 days prior to the first prehearing conference scheduled in the proceeding, a petitioner shall file a supplement to the petition to intervene which must include a list of the contentions which are sought to be litigated in the matter. Each contention must consist of a specific statement of the issue of law or fact to be raised or controverted. In addition, the petitioner shall provide a brief explanation of the bases of the contention and a concise statement of the alleged facts or expert opinion which support the contention and on which the petitioner intends to rely in proving the contention at the hearing. The petitioner must also provide references to those specific sources and documents of which the petitioner is aware and on which the petitioner intends to rely to establish those facts or expert opinion. Petitioner must provide sufficient information to show that a genuine dispute exists with the applicant on a material issue of law or fact. Contention shall be limited to matters within the scope of the amendment under consideration. The contention must be one which, if proven, would entitle the petitioner to relief. A petitioner who fails to file such a supplement which satisfies these requirements with respect to at least one contention will not be permitted to participate as a party.

Those permitted to intervene become parties to the proceeding, subject to any limitations in the order granting leave to intervene, and have the opportunity to participate fully in the conduct of the hearing, including the opportunity to present evidence and cross-examine witnesses.

If a hearing is requested, the Commission will make a final determination on the issue of no significant hazards consideration. The final determination will serve to decide when the hearing is held.

If the final determination is that the amendment request involves no

significant hazards consideration, the Commission may issue the amendment and make it immediately effective, notwithstanding the request for a hearing. Any hearing held would take place after issuance of the amendment.

If the final determination is that the amendment request involves a significant hazards consideration, any hearing held would take place before the issuance of any amendment.

A request for a hearing or a petition for leave to intervene must be filed with the Secretary of the Commission, U.S. Nuclear Regulatory Commission, Washington, DC 20555, Attention: Docketing and Services Branch, or may be delivered to the Commission's Public Document Room, the Gelman Building, 2120 L Street, NW., Washington, DC, by the above date. Where petitions are filed during the last 10 days of the notice period, it is requested that the petitioner promptly so inform the Commission by a toll-free telephone call to Western Union at 1-(800) 248-5100 (in Missouri 1-(800) 342-6700). The Western Union operator should be given Datagram Identification Number N1023 and the following message addressed to Robert A. Capra: petitioner's name and telephone number, date petition was mailed, plant name, and publication date and page number of this **Federal Register** notice. A copy of the petition should also be sent to the Office of the General Counsel, U.S. Nuclear Regulatory Commission, Washington, DC 20555, and to Michael I. Miller, Esquire; Sidley and Austin, One First National Plaza, Chicago, Illinois 60690, attorney for the licensee.

Nontimely filings of petitions for leave to intervene, amended petitions, supplemental petitions and/or requests for hearing will not be entertained absent a determination by the Commission, the presiding officer or the presiding Atomic Safety and Licensing Board that the petition and/or request should be granted based upon a balancing of the factors specified in 10 CFR 2.714(a)(1)(i)-(v) and 2.714(d).

For further details with respect to this action, see the application for amendments dated August 31, 1993, as supplemented July 19, 1994, which are available for public inspection at the Commission's Public Document Room, the Gelman Building, 2120 L Street, NW., Washington, DC, and at the local public document room located at the Bryon Public Library, 109 N. Franklin, P.O. Box 434, Byron, Illinois 61010 for the Byron Station; for Braidwood, the Wilmington Township Public Library, 201 S. Kankakee Street, Wilmington, Illinois 60481.

Dated at Rockville, Maryland, this 19th day of January 1995.

For the Nuclear Regulatory Commission.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-35239; File No. SR-CHX-95-2]

### Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the Chicago Stock Exchange, Incorporated Relating to the Extension of the Waiver of Certain Exchange Transaction Fees for Transactions in Certain Tape B Eligible Issues

January 19, 1995.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"), 15 U.S.C. 78s(b)(1), notice is hereby given that on January 9, 1995, the Chicago Stock Exchange, Incorporated ("CHX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. On January 18, 1995, the Exchange submitted to the Commission Amendment No. 1 to the proposed rule change, which is also described below.<sup>1</sup> The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend the waiver of certain transaction fees, as set out in Section (c) (Transaction Fee Schedule) of its Membership Dues and Fees, for transactions in Tape B eligible issues,<sup>2</sup> executed through the Midwest Automated Execution System ("MAX"). The Exchange had waived these fees

<sup>1</sup> See letter from David T. Rusoff, Counsel, Chicago Stock Exchange, to Glen Barrentine, Senior Counsel, Division of Market Regulations, SEC, dated January 18, 1995. See infra note 4 for a description of Amendment No. 1.

<sup>2</sup> The Consolidated Tape, operated by the Consolidated Tape Association ("CTA"), compiles current last sale reports in certain listed securities from all exchanges and market makers trading such securities and disseminates these reports to vendors on a consolidated basis. The CTA is comprised of the New York, American, Boston, Cincinnati, Chicago, Pacific, and Philadelphia Stock Exchanges, as well as the Chicago Board Options Exchange and the National Association of Securities Dealers, Inc. Transactions in American Stock Exchange listed stocks and qualifying regional listed stocks are reported on CTA Tape B.

through December 31, 1994<sup>3</sup> and now proposes to extend the waiver on MAX executed trades through December 31, 1995. The text of the proposed rule change is as follows [new text is italicized; deleted text is bracketed]:

#### (c) Transaction Fee Schedule

##### Round Lots/Mixed Lots

45 cents per 100 shares.  
\$100.00 maximum per trade.

##### Odd Lots

35 cents per trade.  
\$400.00 maximum monthly fees.

The above fees include all applicable trade recording fees, as set out in the Midwest Clearing Corporation (MCC) "Services and Schedule of Charges" bulletin, relating to floor executed trades.

The above fees shall not apply to transactions in Tape B eligible issues which are executed through the Midwest Automated Execution System ("MAC") through December 31, 1994[5]; however, all applicable trade recording fees relating to Tape B trades will be assessed as set out in the MCC "Services and Schedule of Charges" bulletin.<sup>4</sup>

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

<sup>3</sup> See Securities Exchange Act Release No. 33637 (Feb. 17, 1994), 59 FR 9261 (approving File No. SR-CHX-94-4). The Exchange has waived these fees for several consecutive years. See Securities Exchange Act Release No. 31636 (Dec. 22, 1992), 57 FR 62406 (approving File No. SR-MSE-92-15); Securities Exchange Act Release No. 30154 (Jan. 6, 1992), 57 FR 1291 (approving File No. SR-MSE-91-17); Securities Exchange Act Release No. 28916 (Feb. 25, 1991), 56 FR 9028 (approving File No. SR-MSE-91-7).

<sup>4</sup> Amendment No. 1 deleted a reference in the Transaction Fee Schedule that limited the applicability of such fees on round lots/mixed lots and odd lots to transactions in New York Stock Exchange listed issues. This reference was included inadvertently in the Exchange's filings requesting the waiver of these fees for calendar years 1992, 1993, and 1994.

#### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The purpose of the proposed rule change is to continue the Exchange's efforts to attract additional order flow in Tape B eligible securities to enhance the Exchange's competitive position in these issues. Limiting the waiver of fees to MAX trades recognizes the economies of scale and cost savings achieved through electronic order routing versus manually processed trades.

##### 2. Statutory Basis

The proposed rule change is consistent with Section 6(b)(4) of the Securities Exchange Act of 1934 in that it provides for the equitable allocation of reasonable dues, fees, and other charges among its members and issuers and persons using its facilities.

#### B. Self-Regulatory Organization's Statement on Burden on Competition

The fee change will impose no burden on competition.

#### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the fee change.

#### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change establishes or changes a due, fee, or other charge imposed by the Exchange and, therefore, has become effective pursuant to Section 19(b)(3)(A) of the Act and subparagraph (e) of Rule 19b-4 thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

#### IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of the submission, all subsequent amendments, all written statements
