

Call for Nominations for Pharmacist Responder of the Year Award

The Awards Committee of the Public Health Service (PHS) Pharmacist Professional Advisory Committee (PharmPAC) announces the Pharmacist Responder of the Year Award.

PHARMACIST RESPONDER OF THE YEAR AWARD

This award recognizes a pharmacist (commissioned corps, civil service, or temporary federalized responder) that has provided outstanding emergency preparedness, disaster response, and contributions to national or international public health threats within the past 12 months.

Details of the award criteria and nomination packets are available on the *Award Section* of the PharmPAC Web site – <http://www.hhs.gov/pharmacy/award2.html>

Please take the time to nominate a deserving pharmacist (Commissioned Corps, civil service or temporary federalized responder) for this award. If a Commissioned Corps officer is the recipient of the Pharmacist Responder of the Year Award, the officer's name is forwarded to the Office of Force Readiness and Deployment (OFRD) as a nominee for the Commissioned Corps Responder of the Year Award. In the event that the PharmPAC selects a civil servant or a temporary federalized responder as the recipient of the award, then the Commissioned Corps officer that received the highest ranking from the PharmPAC is forwarded to OFRD.
