JUN 6 2008

Honorable Sandy Garrett  
Superintendent of Public Instruction  
Oklahoma State Department of Education  
2500 North Lincoln Boulevard  
Oklahoma City, Oklahoma 73105-4599

Dear Superintendent Garrett:

Thank you for the timely submission of Oklahoma's FFY 2006 Annual Performance Report (APR) and revised State Performance Plan (SPP) under Part B of the Individuals with Disabilities Education Act (IDEA), as amended in 2004. We also acknowledge the revisions to Oklahoma's APR received on April 11, 2008. We appreciate the State's efforts in preparing these documents.

The Department has determined that, under IDEA section 616(d), Oklahoma meets the requirements of Part B of the IDEA. The Department's determination is based on the totality of the State's data and information including the State's FFY 2006 APR and revised SPP, other State-reported data, and other publicly available information. See the enclosure entitled "How the Department Made Determinations under Section 616(d) of the IDEA in 2008" for further details.

Specific factors affecting OSEP's determination that Oklahoma met requirements under IDEA section 616(d) include: (1) Oklahoma provided valid and reliable FFY 2006 data reflecting the measurement for each indicator; and (2) Oklahoma reported correction or high levels of compliance for Indicators 9, 10, 11, 12, 13, 15, 16, and 17. We commend Oklahoma for its performance.

The enclosed table provides OSEP's analysis of the State's FFY 2006 APR and revised SPP and identifies, by indicator, OSEP's review of any revisions made by the State to its targets, improvement activities (timelines and resources) and baseline data in the State's SPP. It also identifies, by indicator, the State's status in meeting its targets, whether the State's data reflect progress or slippage, and whether the State corrected noncompliance and provided valid and reliable data.

As you know, your State must report annually to the public on the performance of each local educational agency (LEA) located in the State on the targets in the SPP under IDEA section 616(b)(2)(C)(ii)(1). In addition, your State must review LEA performance against targets in the State's SPP, determine if each LEA meets the requirements of the IDEA and inform each LEA of its determination. For further information regarding these requirements, see the SPP/APR Calendar at <http://spp-apr-calendar.rrfnetwork.org/>. Finally, if you included revisions to baseline, targets or improvement activities in your APR submission, and OSEP accepted those revisions, please ensure that you update your SPP accordingly and that the updated SPP is made available to the public.
