II. How To Make a FOIA Request

III. Definitions of Terms and Acronyms Used in this Report

- A. Agency-specific acronyms and other terms.
 - 1. FOIA - Freedom of Information Act (5 U.S.C. § 552).
 - 2. FY -- Fiscal Year.
 - 3. Board -- Federal Retirement Thrift Investment Board
 - 4. OGC -- Office of the General Counsel.

B. Basic Terms.

1. FOIA Request -- Freedom of Information Act request, a FOIA request is generally a request for disclosure of records concerning a third party, an organization, or a particular topic of interest.
2. Initial Request -- a request to the agency for records under the Freedom of Information Act.
3. Appeal -- a request to OGC asking that it review a full denial or partial denial of a FOIA request, or any other FOIA determination such as a matter pertaining to fees.
4. Processed Request or Appeal -- a request or appeal for which an agency has taken a final action on the request or the appeal in all respects.
5. Multi-track Processing -- a system in which simple requests requiring relatively minimal review are placed in one processing track and more voluminous and complex requests are placed in one or more other tracks. Requests in each track are processed on a first-in/first-out basis. Note: The Board does not have multi-track processing as it generally responds to requests on a timely basis. A requester who has an urgent need for records may request expedited processing.
6. Expedited Processing -- The Board will process a FOIA request on an expedited basis when a requester has shown an exceptional need or urgency for the records which warrants prioritization of his or her request over other requests that were made earlier.
7. Simple Request -- a FOIA request that an agency using multi-track processing places in its fastest (nonexpedited) track based on the volume and/or simplicity of records requested.
8. Complex Request -- a FOIA request that an agency using multi-track processing places in a slower track based on the volume and/or complexity of records requested.
9. Grant -- a Board decision to disclose all records in full response to a FOIA request.

10. Partial Grant -- a Board decision to disclose a record in part in response to a FOIA request, deleting information determined to be exempt under one or more of the FOIA's exemptions, or a decision to disclose some records in their entirety, but to withhold others in whole or in part.

11. Denial -- a Board decision not to release any part of a record(s) in response to a FOIA request because all of the information in the requested records is determined by the agency to be exempt under one or more of the FOIA's exemptions or for some procedural reason (such as no record is located in response to a FOIA request).

12. Time limits -- the time period in the Freedom of Information Act for an agency to respond to a FOIA request (ordinarily 20 working days from proper receipt of a "perfected" FOIA request).

13. "Perfected" -- a FOIA request for records which adequately describes the records sought, which has been received by Board's FOIA office, and for which there is no remaining question about the payment of applicable fees.

14. Exemption 3 statute -- a separate federal statute prohibiting the disclosure of a certain type of information and authorizing its withholding under FOIA subsection (b) (3).

15. Median number -- the middle, not average, number. For example, of 3, 7, and 14, the median number is 7. In Part VII below, the Board's response times are given in median calendar days.

16. Average number -- the number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example, of 3, 7 and 14, the average number is 8.
