From and after the Closing, the management of the Company shall be vested exclusively in Member, which is hereby appointed, effective as of the Closing, to act as the manager of the Company (the "**Manager**"). Subject to the terms and conditions of this Agreement, the Manager shall have full and exclusive power and discretion to, and shall, manage the business and affairs of the Company in accordance with this Agreement. The Manager shall not resign, may not assign or delegate its responsibilities to any other Person, and shall serve as such until such time, if any, as (i) the Member's Company Interest is Disposed of in accordance with the terms of this Agreement and the transferee is admitted as the new, sole Member, in which case the transferee Member shall, effective upon such Disposition, be appointed the Manager, or (ii) the Manager is otherwise removed and replaced or the Company is dissolved in accordance with the terms of this Agreement. The Manager shall devote such time to the affairs of the Company as is necessary to manage the Company as set forth in this Agreement. Member hereby expressly acknowledges that this Agreement constitutes a personal services contract between Member as Manager, on the one hand, and the Company, on the other hand. Nothing in this Section 3.1 eliminates, limits or otherwise modifies any of the express terms of this Agreement or any liability, obligation or covenant of any Person hereunder.

(b) Except as otherwise specifically provided in this Agreement and without limitation of the powers expressly granted to the Manager under any other provision of this Agreement, the authority, duties (including fiduciary duties) and functions of the Manager shall

be identical to the authority, duties (including fiduciary duties) and functions of the board of directors and the officers of a corporation organized under the Delaware General Corporation Law (and not electing to be governed by subchapter XIV thereof). The Manager shall have no authority to take or authorize the taking of any action in contravention of any express term of this Agreement.

(c) No Person dealing with the Company or the Manager shall be required to determine, and any such Person may conclusively assume and rely upon, the authority of the Manager to execute any instrument or make any undertaking on behalf of the Company. No Person dealing with the Company or the Manager shall be required to determine any facts or circumstances bearing upon the existence of such authority. Without limitation of the foregoing, any Person dealing with the Company or the Manager is entitled to rely upon a certificate signed by the Manager as to:

- (i) the identity of Member;
- (ii) the existence or non-existence of any fact or facts that constitute a condition precedent to acts by the Manager or are in any other manner germane to the affairs of the Company;
- (iii) the identity of Persons who are authorized to execute and deliver any instrument or document of or on behalf of the Company; or
- (iv) any act or failure to act by the Company or any other matter whatsoever involving the Company or any Member.

(d) It is understood and agreed that (i) nothing contained in this Agreement creates any duty on behalf of the Participant, (ii) Member and the Company hereby expressly waive any fiduciary duties that may otherwise be deemed to be owed by the Participant to Member or the Company, and (iii) the Participant shall be entitled to act and exercise any right of approval or consent that it has under this Agreement in its interest, in its sole and absolute discretion, without regard to and against the interests of Member or the Company.

(e) Unless and to the extent reimbursement is due pursuant to a Related Party Agreement, the Company shall not be liable for, and the Manager shall not seek reimbursement from the Company or Member for, any expenses or costs incurred after the formation of the Company by the Manager and/or its Affiliates on behalf of or for the benefit of the Company (including any costs or expenses incurred as a result of the performance of its obligations under Section 3.2).

(f) This Section 3.1 is subject to any express requirement of direct Participant consent set forth elsewhere in this Agreement, including to Sections 2.7(c), 8.1, 8.2 and 12.6. Any purported action by the Company requiring the consent of Participant under this Agreement shall be null and void ab initio unless and until Participant's consent is obtained.

3.2 Employees and Services. After the Closing, the Manager shall cause to be made available to the Company, from time to time, employees, facilities and support services in a manner and to an extent reasonably required for it to fulfill its duties and obligations as Manager

and for the day-to-day operation of the Business, including the Manager's employees, facilities and support services. If necessary to meet the foregoing requirements, the Manager shall enter into contractual arrangements to secure employees, facilities and support services from third parties (including its Affiliates), provided, however, that the Company shall at all times provide for the servicing of the Loans through a servicer under contract with the Company and the safekeeping of the notes and other Loan documents by a document custodian under contract with the Company, in each case in accordance with the Participation and Servicing Agreement. Notwithstanding anything to the contrary contained in this Section 3.2, no employees of Member or any third party (including any Affiliate) shall be deemed to be employees of the Company, any contractual relationships entered into to provide employees, facilities or support services shall be relationships between the third parties (or Affiliates) and Member (and not the Company) and shall not relieve Member of its obligations or any liability hereunder, and no expenses incurred to secure or maintain employees, facilities or support services shall be an expense of the Company unless the same is expressly reimbursable by the Company pursuant to the terms of the Participation and Servicing Agreement or is otherwise expressly set forth in this Agreement to be an expense of the Company.

3.3 Related Party Agreements. Neither the Company nor any of its Subsidiaries shall enter into any current or future contract, agreement, commitment or arrangement (including any agreement to sell Company Property, incur any Debt or Guarantee any obligations) with any Affiliate (a "**Related Party Agreement**"), except as may otherwise be expressly provided herein or in any Ancillary Document.

All actions, approvals, consents, waivers, exemptions, variances, franchises, orders, permits, authorizations, rights and licenses required to be taken, given or obtained, as the case may be, by or from any federal, state or other governmental authority or agency that are necessary in connection with the execution and delivery by Member of this Agreement and the consummation of the transactions contemplated hereby and the performance of its obligations hereunder, have been duly taken, given or obtained, as the case may be, are in full force and effect, are not subject to any pending proceedings or appeals (administrative, judicial or otherwise) and either the time within which any appeal therefrom may be taken or review thereof may be obtained has expired or no review thereof may be obtained or appeal therefrom taken.

(h) Knowledge and Experience. Member, either by itself or through its advisers and principals, has such knowledge and experience in the origination, servicing, sale and/or purchase of performing and non-performing or distressed loans secured by residential properties, as well as financial and business matters as to enable Member to utilize the information made available to it with respect to the Company Interest and the Loans to evaluate the merits and risks of a purchase of the Company Interest and, indirectly, the Loans, and to make an informed decision with respect thereto.

(i) Economic Risks. Member acknowledges, understands and represents that it is able to bear the economic risks associated with the acquisition and ownership of the Company Interest and, indirectly, the Loans, including the risk of a total loss of its investment in the Company and, indirectly, the Loans and/or the risk that it may be required to hold the Company Interest and, indirectly, the Loans for an indefinite period of time.

(j) No Representations. Member hereby acknowledges that, except as is otherwise expressly provided in this Agreement or the Loan Contribution and Assignment Agreement, none of MSMC or the FDIC or any Affiliate of either, or any of their respective officers, directors, employees, agents or contractors makes or has made any representation or warranty regarding the Company Interest or the Loans or the value of any property securing the same.

(k) Due Diligence. Member acknowledges and agrees that, whether or not information is available with respect to the Company Interest or the Loans and whether or not it chooses to review any information that is or was made available to it regarding the Company’s Interest or the Loans, Member, by itself or through its advisers or principals, has the ability and shall be responsible for making its own independent investigation and evaluation of the Company Interest and the Loans and the economic, credit or other risks involved in an acquisition of the Company Interest and, indirectly, the Loans. Except as is otherwise expressly provided in this Agreement or the Loan Contribution and Assignment Agreement, none of MSMC or the FDIC or any Affiliate of either, or any of their respective officers, directors, employees, agents or contractors makes and representation or warranty as to the completeness or accuracy of any information provided.

(l) No Securities. (o) Acquisition in Compliance with Law. Member’s acquisition of the Company Interest and the resulting investment in the Loans will comply with all applicable laws, rules, regulations and requirements, including any and all laws and/or restrictions imposed on resale of the Company Interest and the Loans by federal and state securities or Blue Sky laws, rules, regulations or requirements.

(p) Independent Evaluation. Member has made an independent evaluation of the Company and its assets (including the Loans and related Loan files and/or any electronic data made available to it pertaining to the Loans held by the Company). Member also has conducted such other investigations as it deems appropriate, including searches of Uniform Commercial Code, title, court, bankruptcy and other public records. Member agrees and represents that it is entering into this Agreement solely on the basis of its own investigations and its judgment as to the value of the Company Interest and the nature, validity, enforceability, collectibility and value of the Loans and all other facts material to their ownership, including to the legal matters and risks relating to the collection and enforcement, and the performance of any obligations under any of the Loans in any jurisdiction. Member further acknowledges that no employee or representative of Initial Member or any Affiliate thereof, or any of their respective officers, directors, employees, agents or contractors has been authorized to make any statements or

representations other than those specifically contained in this Agreement or the Loan Contribution and Assignment Agreement.

(b) The Manager may rely, and shall be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties.

(c) The Manager may consult with legal counsel, accountants, appraisers, management consultants, investment bankers and other consultants and advisers selected by it, and any act taken or omitted to be taken in reliance upon the opinion of such Persons as to matters that the Manager reasonably believes to be within such Person's professional or expert competence shall be conclusively presumed to have been done or omitted in good faith and in accordance with such opinion.

(d) The Manager shall not be liable to the Company or Member for its good faith reliance on the provisions of this Agreement.

(e) The limitations and exculpation afforded by each provision of this Section 11.1 are cumulative and not exclusive. Nothing in this Section 11.1 is intended, or shall be deemed, to permit conduct that would otherwise constitute misappropriation of a trade secret of the Company under applicable law or conduct that, even disregarding the terms hereof otherwise would be actionable by the Company or Member.

(f) The provisions of this Section 11.1 are for the benefit of the Manager. This Section 11.1 may be amended, modified or repealed in the manner set forth elsewhere in this Agreement, but any amendment, modification or repeal of this Section 11.1 or any provision hereof (including as a result of any amendment, modification or repeal of the Delaware General Corporation Law) shall (unless the Manager shall expressly have consented to such amendment, modification or repeal) be prospective only and shall (unless the Manager shall expressly have consented to such amendment, modification or repeal) not in any way affect the limitations on liability under this Section 11.1 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may be asserted.

ARTICLE XII

(b) This Agreement and any amendments hereto, to the extent signed and delivered by means of a facsimile machine, shall be treated in all manner and respects as an original agreement and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No signatory to this Agreement shall raise the use of a facsimile machine to deliver a signature or the fact that any signature or agreement was transmitted or communicated through the use of a facsimile machine as a defense to the formation or enforceability of a contract and each such Person forever waives any such defense.

12.9 Successors and Assigns. Except as otherwise specifically provided in this Agreement (including in Article VIII), this Agreement shall be binding upon and inure to the benefit of Member and Participant and their respective Successors and assigns. Without limitation of Section 8.4, this Agreement, as in effect on the date that any particular Person shall cease to be Member, shall continue to bind such Person in relation to the period during which it was Member.

12.10 Construction.

(a) Captions. Paragraph titles or captions contained in this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit, extend or describe the scope of this Agreement or the intent of any provisions hereof. All Section and paragraph references contain herein shall refer to this Agreement unless otherwise specified.

(b) References to Persons Exclusive. References to “Affiliates” or “Subsidiaries” of a specified Person refer to, and include, only other Persons which from time to time constitute “Affiliates” or “Subsidiaries,” as the case may be, of such specified Person, and do not include, at any particular time, other Persons that may have been, but at such time have ceased to be, “Affiliates,” or “Subsidiaries,” as the case may be, of such specified Person, except to the extent that any such reference specifically provides otherwise. A reference to Member or other Person, in and of itself, does not, and shall not be deemed to, refer to or include any other Person having an interest in Member or former other Person (such as, without limitation, any stockholder or member of or partner in Member, or former other Person).

(c) Use of “Or.” The term “or” is not exclusive.

(d) References to Laws. A reference in this Agreement to a law includes any amendment, modification or replacement to such law.

(e) Use of Accounting Terms. Accounting terms used herein shall have the meanings assigned to them by GAAP applied on a consistent basis by the accounting entity to which they refer.

(f) References to Documents. References to any document, instrument or agreement (i) shall be deemed to include all appendices, exhibits, schedules and other attachments thereto and all documents, instruments or agreements issued or executed in replacement thereof, and (ii) shall mean this Agreement, or replacement hereof, as amended, modified and supplemented from time to time in accordance with its terms and as the same is in effect at any given time.

(g) Use of "Herein." Unless otherwise specified, the words "hereof," "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement.

(a) Compliance With Law. Except as otherwise specifically provided herein, each party to this Agreement shall, at its own cost and expense, obey and comply with all applicable laws, as they may pertain to such party's performance of its obligations hereunder.

(b) Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall be ineffective, but such ineffectiveness shall be limited as follows: (i) if such provision is prohibited or unenforceable in such jurisdiction only as to a particular Person or Persons and/or under any particular circumstance or circumstances, such provision shall be ineffective, but only in such jurisdiction and only with respect to such particular Person or Persons and/or under such particular circumstance or circumstances, as the case may be; (ii) without limitation of clause (i), such provision shall in any event be ineffective only as to such jurisdiction and only to the extent of such prohibition or unenforceability, and such prohibition or unenforceability in such jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction; and (iii) without limitation of clauses (i) or (ii), such ineffectiveness shall not invalidate any of the remaining provisions of this Agreement. Without limitation of the preceding sentence, it is the intent of the parties to this Agreement that in the event that in any court proceeding, such court determines that any provision of this Agreement is prohibited or unenforceable in any jurisdiction (because of the duration or scope (geographic or otherwise) of such provision, or for any other reason) such court shall have the power to, and shall, (x) modify such provision (including without limitation, to the extent applicable, by limiting the duration or scope of such provision and/or the Persons

against whom, and/or the circumstances under which, such provision shall be effective in such jurisdiction) for purposes of such proceeding to the minimum extent necessary so that such provision, as so modified, may then be enforced in such proceeding and (y) enforce such provision, as so modified pursuant to clause (x), in such proceeding. Nothing in this Section 12.11(b) is intended to, or shall, limit (1) the ability of any party to this Agreement to appeal any court ruling or the effect of any favorable ruling on appeal or (2) the intended effect of Section 12.3.

12.12 Power of Attorney. Member does hereby constitute and appoint the Manager as its true and lawful representative and attorney-in-fact, in its name, place and stead to make, execute, sign, acknowledge, deliver or file any certificate, document or other instrument that Member is required to execute and deliver pursuant to clause (i), (ii) or (iii) of Section 4.1 hereof. The foregoing notwithstanding, the Manager shall not have any right, power or authority to amend or modify this Agreement. The power of attorney granted hereby is coupled with an interest and shall (i) survive and not be affected by the subsequent death, incapacity, disability, dissolution, termination or bankruptcy of Member granting the same or the transfer of all or any portion of Member's Company Interest and (ii) extend to Member's Successors, assigns and legal representatives.

12.13 Submission to Jurisdiction; Waivers. Each of the Company and Member (or any former Member) hereby irrevocably and unconditionally:

(a) (i) agrees that any suit, action or proceeding against it or any of its Affiliates by the Participant (or its direct or indirect predecessors, as such) arising out of or relating to or in connection with this Agreement or any Ancillary Document may be instituted, and that any suit, action or proceeding by the Company or Member or any of their respective Affiliates against the Participant (or its direct or indirect predecessors, as such) arising out of or relating to or in connection with this Agreement or any Ancillary Document shall be instituted only, in the Supreme Court of the State of New York, County of New York, or the United States District Court for the Southern District of New York or the United States District Court for the District of Columbia (and appellate courts from any of the foregoing), as the Person instituting such suit, action or proceeding may elect in its or his sole discretion, (ii) consents and submits, for itself and its property, to the jurisdiction of such courts for the purpose of any such suit, action or proceeding instituted against it, and (iii) agrees that a final judgment in any such suit, action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law;

(b) agrees that service of all writs, process and summonses in any suit, action or proceeding pursuant to Section 12.13(a) may be effected by the mailing of copies thereof by registered or certified mail, postage prepaid, to it at its address for notices pursuant to Section 12.7, such service to become effective 30 days after such mailing, provided that nothing contained in this Section 12.13(b) shall affect the right of any party to serve process in any other manner permitted by law;

(c) (i) waives any objection which it or he may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any Ancillary Document brought in any court specified in Section 12.13(a), (ii) waives any claim

that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum, and (iii) agrees not to plead or claim either of the foregoing; and

(d) WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY OF ANY DISPUTE ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY ANCILLARY DOCUMENT AND AGREES THAT ANY SUCH DISPUTE SHALL BE TRIED BEFORE A JUDGE SITTING WITHOUT A JURY.
