1. In addition to the authorized staffing shown here, the Division of Resolutions and Receiverships (DRR) and the Legal Division were authorized by the Board in December 2007 to temporarily exceed their permanent staffing authorizations for selected positions for succession management purposes. At present, this "temporary over-hire" authority is limited to eight positions in DRR and 28 positions in the Legal Division (this "temporary over-hire" authority will gradually decline as attrition occurs from targeted positions).
2. Changes from the original 2008 authorization were approved by the Chief Financial Officer in accordance with authority delegated in the 2008 Budget Resolution.
