

Underpayment of Estimated Tax By Corporation Instructions attached

MONTANA CLT-4-UT Rev. 8-04

Part Figuring your underpayment 1. 1. 2. 2. 3. 3. 3. 3. 3. 3	For calendar year or other taxable year b			peginning , and ending					
1. Total current year tax liability. 2. Current year tax credits. 3. Subtract line 2 from line 1. If the result is less than \$5,000, do not complete the rest of this form. You do not owe the penalty. 4. a. Enter 80% of line 3. b. Enter 100% of the tax shown on your previous year's CLT-4 (see instructions). 4. c. Enter the lessor of line 4a or 4b. 5. Enter in columns A through D the installment due dates (the 15th day of the fourth, sixth, ninth, and twelfth month of your tax year). 6. Enter 25% of line 4c in columns A through D or the appropriate % as shown in §15-31-502(2) unless "a" below applies to the corporation. a. If you use the annualized income installment method and/or the adjusted seasonal installment method and/or the adjusted	Na			FEIN					
2. Current year tax credits. 3. Subtract line 2 from line 1. If the result is less than \$5,000, do not complete the rest of this form. You do not owe the penalty. 4. a. Enter 80% of line 3. b. Enter 80% of line 3. b. Enter 100% of the tax shown on your previous year's CLT-4 (see instructions). 4a. c. Enter 100% of the tax shown on your previous year's CLT-4 (see instructions). 4b. c. Enter 100% of the tax shown on your previous year's CLT-4 (see instructions). 4c. A B C D 5. Enter in columns A through D the installment due dates (the 15th day of the fourth, sixth, ninth, and twelfth month of your tax year). 5. Enter 25% of line 4c in columns A through D or the appropriate % as shown in §15-31-502(2) unless "a" below applies to the corporation. a. If you use the annualized income installment method, complete the worksheet in the instructions and enter the amount from line 41 in each column of line 6. Also check this box — and attach a copy of the worksheet to this form. Complete lines 7 through 14 for one column before completing the next column. 7. Amount paid or credited for each period (see instructions). 8. Enter amount, if any, from line 14 of previous column. 9. Add lines 7 and 8. 10. Add amounts of lines 12 and 13 of the previous column and enter results here. 11. Subtract line 10 from line 9. If less than zero, enter zero. For column A only, enter the amount from line 7. 12. Remaining underpayment from previous period. If the amount on line 11 is zero, subtract line 9 from line 10 and enter the results here. Otherwise, enter zero. 13. Underpayment. If line 11 is less than or equal to line 6, subtract line 11 from line 6 and enter the results here. Otherwise, enter zero. 14. Overpayment. If line 6 is less than line 11, subtract line 6 from line 11 and enter the results here. Then go to line 7 of the next column. Part II Figuring the Penalty 15. Enter the date of payment or the 15th day of the fifth month after the close of the tax year, whichever is earlier. 16. Number of days from due date of instal									
3. Subtract line 2 from line 1. If the result is less than \$5,000, do not complete the rest of this form. You do not owe the penalty. 4. a. Enter 80% of line 3. b. Enter 100% of the tax shown on your previous year's CLT-4 (see instructions). c. Enter the lessor of line 4 are 4b. 5. Enter in columns A through D the installment due dates (the 15th day of the fourth, sixth, ninth, and twelfth month of your tax year). 6. Enter 25% of line 4c in columns A through D or the appropriate % as shown in §15-31-502(2) unless "a' below applies to the corporation. a. If you use the annualized income installment method and/or the adjusted seasonal installment method and/or the adjusted seasonal installment method, complete the worksheet in the instructions and enter the amount from line 4 in each column of line 6. Also check this box — and attach a copy of the worksheet to this form. Complete lines 7 through 14 for one column before completing the next column. 7. Amount paid or credited for each period (see instructions). 8. Enter amount, if any, from line 14 of previous column. 9. Add lines 7 and 8. 10. Add amounts of lines 12 and 13 of the previous column and enter results here. 11. Subtract line 10 from line 9. If less than zero, enter zero. For column A only, enter the amount from line 7. 12. Remaining underpayment from previous period. If the amount on line 11 is zero, subtract line 9 from line 10 and enter the results here. Otherwise, enter zero. 12. 13. Underpayment. If line 11 is less than or equal to line 6, subtract line 11 from line 6 and enter the results here. Then go to line 7 of the next column. Otherwise, go to line 14. 14. Overpayment. If line 6 is less than line 11, subtract line 6 from line 11. 15. Enter the date of payment or the 15th day of the fifth month after the close of the tax year, whichever is earlier. 16. Number of days from due date of installment on line 5 to the date shown on line 15.		· · · · · · · · · · · · · · · · · · ·				1.			
You do not owe the penalty. a. Enter 80% of line 3. b. Enter 100% of the tax shown on your previous year's CLT-4 (see instructions). c. Enter the lessor of line 4a or 4b. 5. Enter in columns A through D the installment due dates (the 15th day of the fourth, sixth, ninth, and twelfth month of your tax year). 6. Enter 25% of line 4a in columns A through D or the appropriate % as shown in §15-31-502(2) unless "a" below applies to the corporation. a. If you use the annualized income installment method, complete the worksheet in the instructions and enter the amount from line 41 in each column of line 6. Also check this box and attach a copy of the worksheet to this form. Complete lines 7 through 14 for one column before completing the next column. 7. Amount paid or credited for each period (see instructions). 8. Enter amount, if any, from line 14 of previous column. 9. Add lines 7 and 8. 10. Add amounts of lines 12 and 13 of the previous column and enter results here. Then go to line 7 of the next column. 11. Subtract line 10 from line 9. If less than zero, enter zero. For column A only, enter the amount from line 7 in the amount on line 11 is zero, subtract line 9 from line 10 and enter the results here. Otherwise, enter zero. 13. Underpayment. If line 6 is less than line 11, subtract line 6 from line 14 in and enter the results here. Then go to line 7 of the next column. 13. Hoverpayment. If line 6 is less than line 11, subtract line 6 from line 14 in and enter the results here. Then go to line 7 of the next column. 14. Overpayment. If line 6 is less than line 11, subtract line 6 from line 14 in and enter the results here. Then go to line 7 of the next column. 15. Enter the date of payment or the 15th day of the fifth month after the close of the tax year, whichever is earlier. 16. Number of days from due date of installment on line 5 to the date shown on line 15.									
b. Enter 100% of the tax shown on your previous year's CLT-4 (see instructions). c. Enter the lessor of line 4a or 4b. A B C D 5. Enter in columns A through D the installment due dates (the 15th day of the fourth, sixth, ninth, and twelfith month of your tax year). 6. Enter 25% of line 4c in columns A through D or the appropriate % as shown in §15-31-502(2) unless "a" below applies to the corporation. a. It you use the annualized income installment method, complete the worksheet in the instructions and enter the amount from line 41 in each column of line 6. Also check this box	3.	·							
c. Enter the lessor of line 4a or 4b. 5. Enter in columns A through D the installment due dates (the 15th day of the fourth, sixth, ninth, and twelfth month of your tax year). 6. Enter 25% of line 4c in columns A through D or the appropriate % as shown in §15-31-50/2(2) unless "a" below applies to the corporation. a. If you use the annualized income installment method and/or the adjusted seasonal installment method and enter the amount form line 41 in each column of line 6. Also check this box and attach a copy of the worksheet to this form. Complete lines 7 through 14 for one column before completing the next column. 7. Amount paid or credited for each period (see instructions). 8. Enter amount, if any, from line 14 of previous column. 9. Add lines 7 and 8. 10. Add amounts of lines 12 and 13 of the previous column and enter results here. 11. Subtract line 10 from line 9. If less than zero, enter zero. For column A only, enter the amount from line 7. 12. Remaining underpayment from previous period. If the amount on line 11 is zero, subtract line 9 from line 10 and enter the results here. Otherwise, enter zero. 13. Underpayment. If line 11 is less than or equal to line 6, subtract line 16 from line 6 and enter the results here. Then go to line 7 of the next column. 14. Overpayment. If line 6 is less than line 11, subtract line 6 from line 11 and enter the results here. Then go to line 7 of the next column. 14. Part II Figuring the Penalty 15. Enter the date of payment or the 15th day of the fifth month after the close of the tax year, whichever is earlier. 16. Number of days from due date of installment on line 5 to the date shown on line 15.	4.	a. Enter 80% of line 3. 4a.							
5. Enter in columns A through D the installment due dates (the 15th day of the fourth, sixth, ninth, and twelfth month of your tax year). 6. Enter 25% of line 4c in columns A through D or the appropriate % as shown in §15-31-502(2) unless "a" below applies to the corporation. a. If you use the annualized income installment method, complete the worksheet in the instructions and enter the amount from line 41 in each column of line 6. Also check this box and attach a copy of the worksheet to this form. Complete lines 7 through 14 for one column before completing the next column. 7. Amount paid or credited for each period (see instructions). 8. Enter amount, if any, from line 14 of previous column. 9. Add lines 7 and 8. 10. Add amounts of lines 12 and 13 of the previous column and enter results here. 11. Subtract line 10 from line 9. If less than zero, enter zero. For column A only, enter the amount from line 7. 12. Remaining underpayment from previous period. If the amount on line 11 is zero, subtract line 9 from line 10 and enter the results here. Otherwise, enter zero. 11. 13. Underpayment. If line 6 is less than or equal to line 6, subtract line 11 from line 6 and enter the results here. Then go to line 7 of the next column. Otherwise, go to line 14. 14. Overpayment. If line 6 is less than line 11, subtract line 6 from line 11 and enter the results here. Then go to line 7 of the next column. Otherwise, go to line 14. 14. Overpayment. If line 6 is less than line 11, subtract line 6 from line 11 and enter the results here. Then go to line 7 of the next column. Part II Figuring the Penalty 15. Enter the date of payment or the 15th day of the fifth month after the close of the tax year, whichever is earlier. 16. Number of days from due date of installment on line 5 to the date shown on line 15.		b. Enter 100% of the tax shown on your previous year's CLT-4 (see instructions). 4b.							
5. Enter in columns A through D the installment due dates (the 15th day of the fourth, sixth, ninth, and twelfth month of your tax year). 6. Enter 25% of line 4c in columns A through D or the appropriate % as shown in §15-31-502(2) unless "a" below applies to the corporation. a. If you use the annualized income installment method, complete the worksheet in the instructions and enter the amount from line 41 in each column of line 6. Also check this box and attach a copy of the worksheet to this form. Complete lines 7 through 14 for one column before completing the next column. 7. Amount paid or credited for each period (see instructions). 8. Enter amount, if any, from line 14 of previous column. 9. Add lines 7 and 8. 10. Add amounts of lines 12 and 13 of the previous column and enter results here. 11. Subtract line 10 from line 9. If less than zero, enter zero. For column A only, enter the amount from line 7. 12. Remaining underpayment from previous period. If the amount on line 11 is zero, subtract line 9 from line 10 and enter the results here. Otherwise, enter zero. It is less than or equal to line 6, subtract line 11 from line 6 and enter the results here. Then go to line 7 of the next column. 13. Underpayment. If line 6 is less than line 11, subtract line 6 from line 11 and enter the results here. Then go to line 7 of the next column. 14. Part II Figuring the Penalty 15. Enter the date of payment or the 15th day of the fifth month after the close of the tax year, whichever is earlier. 16. Instructions for Underpayment of Estimated Tax by Corporations (Form CLT-4-UT)

Who must pay the Underpayment Penalty

If the corporation did not pay enough estimated tax by any due date for paying estimated tax, it may be charged a penalty. This is true even if the corporation is due a refund when its return is filed. The penalty is figured separately for each installment due date. Therefore, the corporation may owe a penalty for an earlier installment due date, even if it paid enough tax later to make up the underpayment.

Generally, a corporation is subject to the penalty if its tax liability is \$5,000 or more and it did not pay on the lesser of 80% of its tax liability for the current year or 100% of its tax liability for the previous year (if the previous year's return showed a tax liability and the return covered a full 12 months).

How to use this form

Complete Part I of Form CLT-4-UT to determine if you have an underpayment for any of the four installment due dates. If you have an underpayment on line 13 (column A, B, C, or D), go to Part II to figure the penalty. Attach Form CLT-4-UT to your tax return.

Part I Figuring your underpayment

Complete lines 1 through 14 in Part I.

Follow the instructions below.

Line 1 - Enter the tax from line 10, Form CLT-4.

Line 2 - Enter the tax credits from line 12. Form CLT-4.

Line 4b - Enter your previous year's tax using the taxes and credits from your previous year's return. If you did not file a return showing a tax liability for the previous year, or if your previous year was less than 12 months, do not complete this line. Instead, enter the amount from line 4a on line 4c.

Line 6 - If the corporation's income varied during the year because, for example, it operated its business on a seasonal basis, it may be able to lower the amount of one or more required installments by using the annualized income installment method or the adjusted seasonal installment method. For example, a ski shop, which receives most of its income during the winter months, might benefit from using one or both of these methods in figuring its required installments. The annualized income installment or adjusted seasonal installment may be less than the required installment under the regular method for one or more due dates, thereby reducing or eliminating the penalty for those due dates.

To use one or both of these methods to figure one or more required installments, use the worksheets on pages 3 and 4 of these instructions. If you use either worksheet for any payment date, you must use it for **all** the payment due dates.

If you are using both the annualized income and seasonal methods, complete the entire worksheet. To arrive at the amount of each required installment select the smallest of the annualized income installment; adjusted seasonal installment (if applicable); or regular installment. If you are using only the annualized income installment method, complete Parts I and III of the worksheet. If you are using only the adjusted seasonal installment method, complete Parts II and III of the worksheet. If you are using both methods, complete the entire worksheet. Enter in each column on line 6 the amounts from the corresponding column of line 41 of the worksheet. Also attach a copy of the worksheet to form CLT-4-UT and check the box on line 6a.

If you are not using the annualized income installment method or adjusted seasonal installment method, follow the instructions below to figure the amount to enter on line 6.

If line 4a is less than line 4b: Enter 25% of line 4a in columns A through D.

If line 4b is less than line 4a: Enter 25% of line 4b in columns A through D. Line 7 - In column A, enter the estimated tax payments deposited by the 15th day of the 4th month of your tax year; in column B, enter payments you made after the 15th day of the 4th month through the 15th day of the 6th month of your tax year; in column C, enter payments you made after the 15th day of the 6th month through the 15th day of the 9th month of your tax year; and, in column D, enter payments you made after the 15th day of the 9th month through the 15th day of the 12th month of your tax year.

Generally, a prior year's overpayment will be applied against the earliest installment unless the corporation instructs differently.

Line 13 - If line 13 shows an underpayment, complete Part II to figure the penalty.

Part II Figuring the penalty

Complete lines 15 through 18 to determine the amount of the penalty. Line 15 - A payment of estimated tax is applied against underpayments of required installments in the order in which such installments are required to be paid, regardless of which installment the payment pertains to. For example, a corporation has an underpayment for the April 15th installment of \$1,000. The June 15th installment requires a payment of \$2,000. On June 10, the corporation deposits \$2,000 to cover the June 15 installment. However, \$1,000 of this payment is considered to be for the April 15 installment. The penalty for the April 15 installment is figured to June 10 (56 days). The underpayment for the June 15 installment will then be \$1,000.

If the corporation has made more than one payment for a required installment, attach a separate computation for each payment.

Please note that, for taxable years beginning after December 31, 1999, there is assessed a 12% a year underpayment interest penalty (15-31-510, MCA). The interest penalty rate remains at 20% a year for taxable years beginning before December 31, 1999.

Instructions for Worksheets

Annualized Income Installment Method (A copy of Federal Form 2220 as filed with the federal tax return must be attached.)

Note Annualization Periods. Taxpayers have three annualization period options to choose from. Taxpayers can use option (1) lines 1 through 3; option (2) lines 4 through 6; or option (3) a combination of options (1) and (2). If the taxpayer chooses option (3) complete lines 1 through 6 and use the lesser of lines 3 or 6 on line 7.

Line 9 - Enter the credits to which you are entitled because of events that occurred during the months shown in the column headings used to figure annualized taxable income.

Line 13 - Before completing line 13 in columns B through D, you must complete line 14 through 41, in each of preceding columns. For example, you must complete line 14, lines 15 through 35 (if you use the adjusted seasonal installment method), and lines 36 through 41, in column A before you can complete line 13 in column B.

Adjusted Seasonal Installment Method (A copy of Federal Form 2220 as filed with the federal return must be attached.)

Do not complete this part unless the corporation's base period percentage for any six consecutive months of the tax year equals or exceeds 70%. The term "base period percentage" for any of six consecutive months is the average of the three percentages figured by dividing the taxable income for the corresponding six consecutive month period in each of the three preceding tax years by the taxable income for each of their respective tax years.

Example: An amusement park that has a calendar year as its tax year receives the largest part of its taxable income during the six-month period from May to October. To compute its base period percentage for the period May through October, it must figure its taxable income for each May through October for each of the three preceding tax years. The taxable income for each May through October period is then divided by the total taxable income for the tax year in which the period is included, resulting in the following quotients: .69 for the third preceding year; .74 for the second preceding year, and .67 for the first preceding year. Since the average of .69; .74; and .67 is .70, the base period for May through October of the current year is 70%. Therefore, the amusement park qualifies for the adjusted seasonal installment method.

Line 31 - Enter the credits to which you are entitled because of events that occurred during the months shown in column headings above line 15.

Line 34 - Before completing line 34 in columns B through D, you must complete lines 35 through 41 in each of the preceding columns. For example, you must complete lines 35 through 41 in column A before you can complete line 34 in column B.
