Instructions

If you elect to itemize your deductions when you file your individual income tax return either jointly or separately, when you compute your net income, you can claim a deduction for donations that you made to:

- the State Veterans' Service Account or
- the State Veterans' Cemetery Program.

This deduction is not allowed under 15-30-154, MCA if the amount is included as an itemized deduction under 15-30-121, MCA.

Spouses who make joint contributions can deduct these from the net income of either spouse or you can allocate them between spouses.

We allow this deduction in the year that you made your contribution. (For example, if you made your contribution on April 15, 2007 and submitted it with your 2006 Montana income tax return, you can deduct it for the tax year 2006 if you elect to itemize deductions).

You have to make your contribution by separate check and attach it to this form. This form and your contribution have to accompany your individual income tax return, Form 2.
