General Instructions

How can I get an extension of time to file my Montana income tax return?

You can be granted an extension of time for filing your Montana income tax return if you meet *both* of the following requirements:

1. By April 15, 2008, you have applied to the Internal Revenue Service by filing federal Form 4868 for an automatic six-month extension to file your federal income tax return, and
2. You have paid 90% of your 2007 Montana income tax liability or 100% of your 2006 Montana income tax liability through your estimated tax payments, your withholding tax, or a combination of both your estimated and withholding tax payments.

Even though you have applied for an automatic six-month federal extension, this does not guarantee that you have a Montana extension unless you have met one of the requirements listed in number 2 above on or before April 15, 2008. If you do not meet one of the requirements in number 2 above, you do not have a valid Montana extension.

In order to further complete your Montana extension, you have to check the extension indicator box on the bottom right hand corner of Montana Form 2 or 2M or 2EZ and attach a copy of your federal Form 4868 "Application for Automatic Extension of Time to File U.S. Individual Income Tax Return" to your Montana income tax return. Do not send us a copy of your federal Form 4868 prior to filing your Montana income tax return.

When you file your Montana income tax return electronically, you represent that you have retained all documents required as a tax record and that you will provide a copy to the department upon request.

I have a valid Montana extension but did not pay my entire 2007 income tax liability by April 15, 2008. Am I subject to penalties and interest on my payment?

Yes, you are. It is important to note that any extension of time to file your Montana income tax return is *not* an extension of time to pay your income tax liability. If you have a valid Montana extension but you have not paid your entire 2007 income tax liability by April 15, 2008, you are relieved of late file penalties but you are not relieved of late pay penalties and interest on your outstanding Montana income tax liability.

If you do not pay the full amount of your 2007 income tax liability by April 15, 2008, you will be charged a late payment penalty. This penalty is 1.2% per month or fraction of a calendar month on the unpaid tax. This penalty cannot exceed 12% of your tax due.

If you do not pay your tax liability by April 15, 2008, you will be charged interest at a rate of 8% per year accruing daily beginning on the due date of your return and continuing until your tax is paid.

How can I make an extension payment?

You will need to complete this form to determine the amount of your extension payment. Attach your payment to the payment form and mail by April 15, 2008.

If you are a fiscal year taxpayer, your payment is due on or before the 15th day of the fourth month after the close of your tax year.
