

Biography

Stephan Lemieux Manager of On-Road Heavy Duty Diesel Section California Air Resources Board

Stephan Lemieux received his Bachelor of Science in Mechanical Engineering from the State of California Polytechnic University, Pomona. He has been employed with the California Air Resources Board for over 12 years in the Mobile Source Control Division, in El Monte California.

For the past 6 years, he has been the Manager of the On-Road Heavy Duty Diesel Section. His section's responsibilities relate to the development of new emission requirements for new on-road heavy-duty diesel engines. Programs developed, or in development, include the 2004 and 2007 on-road HDDE standards and test procedures, HDD idling, HDD in-use compliance testing program, and HDV GHG measures.
