FROM: Office of Procurement and Assistance Policy, MA-61
Office of Procurement and Assistance Management

SUBJECT: DOE O 226.1A Implementation of Department of
Energy Oversight Policy

SUMMARY: The Department has revised the Contractor Requirements Document (CRD) to DOE O 226.1A, Implementation of Department of Energy Oversight Policy on 7-31-07. Under the Department's Directive Program (DOE Order 251.1B), Heads of Field Elements are responsible for determining which contracts are to include this CRD. Contracting Officers, once notified, are responsible for incorporating the CRD into affected contracts. Since some Heads of Field Elements may not be aware that this change has been issued, Contracting Officers should request their determination of which, if any, contracts are affected and remind them that they may sign up for automated notification at www.directives.doe.gov.

This Flash may be viewed online at the following website:

Questions regarding contracts intended to be affected by the CRD should be directed to the office identified in the "Contact" paragraph of DOE O 226.1A and questions regarding contract modification should be directed to Helen Oxberger at helen.oxberger@hq.doe.gov.
