

PARTNERSHIP AGREEMENT
Between
The U.S. Small Business Administration
and
The U.S. Department of Energy

Sections 7(j) and 8(a) of the Small Business Act (the Act) (15 U.S.C. §§ 636 (j) and 637(a)) authorize the U. S. Small Business Administration (SBA) to establish a business development program, which is known as the 8(a) Business Development Program or 8(a) BD program. The 8(a) BD program promotes the development of small business concerns owned and controlled by socially and economically disadvantaged individuals so that such concerns can compete in the mainstream of the American economy. 15 U.S.C. § 631(f)(2). Small business development is accomplished by providing various forms of management, technical, financial and procurement assistance. Additionally, pursuant to Section 8(a) of the Act, SBA is authorized to enter into all types of contracts with other Federal agencies and to contract the performance of these contracts to qualified Participants in the 8(a) BD program. 15 U.S.C. § 637(a).

I. PURPOSE

The purpose of this Partnership Agreement (PA) between SBA and the U.S. Department of Energy is to delegate SBA's contract execution functions to the U.S. Department of Energy per the requirements of 13 C.F.R. § 124.501. This PA sets forth the delegation of authority and establishes the basic procedures for expediting the award of 8(a) contract requirements. This PA replaces all terms and conditions of any previously executed Memorandum of Understanding (MOU) or PA with the U.S. Department of Energy or subordinate agencies on the issue of expediting the award of requirements pursuant to Section 8(a) of the Act.

Failure to sign this PA will require the U.S. Department of Energy to utilize the prescribed processes to contract with the SBA as stated in the Federal Acquisition Regulation (FAR) Subpart 19.8.

II. OBJECTIVES

- A. To delineate the responsibilities as they relate to the oversight, monitoring and compliance with procurement laws and regulations governing 8(a) contracts between SBA and the U.S. Department of Energy;
- B. To establish the procedures for offer and acceptance between SBA and the U.S. Department of Energy;

- C. To reduce the time between when the U.S. Department of Energy's contracting office sends an offering letter to SBA and it receives SBA's decision regarding the contract offering to a maximum of five (5) working days;
- D. To emphasize that although SBA delegates the authority to sign contracts on its behalf, it remains the prime contractor on all 8(a) contracts and as such, must receive copies of the contract and any subsequent modifications;
- E. To eliminate SBA's review of contracts and purchase orders executed under the authority of this PA; and
- F. To establish uniform policies and procedures regarding application of purchase orders to the 8(a) contracting process.

III. SCOPE

This PA provides for the award of both contracts and purchase orders under the provisions of Section 8(a) of the Act as implemented by the FAR Subpart 19.8 and SBA's 8(a) BD program regulations found at 13 C.F.R. §124.

This PA encompasses all competitive and non-competitive acquisitions of requirements offered by the U.S. Department of Energy contracting offices and accepted by SBA into the 8(a) BD program.

This PA applies to all SBA offices and all the U.S. Department of Energy contracting offices, as defined in FAR § 2.101 and deemed appropriate by the head of the agency, as defined in FAR § 2.101, for The U.S. Department of Energy.

IV. RESPONSIBILITIES

A. SBA

1. delegates to the U.S. Department of Energy for re-delegation to all warranted U.S. Department of Energy contracting officers, its authority under section 8(a)(1)(A) of the Act to enter into 8(a) prime contracts, and its authority under section 8(a)(1)(B) of the Act to arrange for the performance of such procurement contracts by eligible 8(a) Participants. In accordance with 13 C.F.R. §124.501(a), SBA delegates its 8(a) contract execution function. SBA remains the prime contractor on all 8(a) contracts and the 8(a) Participant remains the SBA's subcontractor;

 - iv. In the case of a negotiated procurement, following receipt of initial offers including price, and within two (2) working days after a request from the contracting officer, SBA shall issue an eligibility determination for all firms in the competitive range, if discussions are to be conducted.

11. will issue a letter to the U.S. Department of Energy's Office of Small and Disadvantaged Business Utilization, with a copy to the appropriate senior procurement executive (FAR Part 2, Subpart 2.101), identifying accepted requirements for which contract (to include any resultant modifications) award documents have not been received by the SBA district office.

Contract execution shall be on the appropriate form specified in the FAR or the U.S. Department of Energy regulation. The "Issued by" block shall identify the awarding the U.S. Department of Energy office. The SBA district office for the 8(a) Participant shall be identified in the award document. The 8(a) Participant's name and address shall be listed as the contractor. The U.S. Department of Energy's contracting activities are responsible for issuing procurement instrument identification numbers. SBA will not issue subcontract numbers.
