TITLE XXXII—NATIONAL NUCLEAR SECURITY ADMINISTRATION

50 USC 2401 note

SEC. 3201. SHORT TITLE.

This title may be cited as the “National Nuclear Security Administration Act”.

SEC. 3202. UNDER SECRETARY FOR NUCLEAR SECURITY OF DEPARTMENT OF ENERGY.

42 USC 7132

Section 202 of the Department of Energy Organization Act (42 U.S.C. 7132) is amended by adding at the end the following new subsection:

“(c)(1) There shall be in the Department an Under Secretary for Nuclear Security, who shall be appointed by the President, by and with the advice and consent of the Senate. The Under Secretary shall be compensated at the rate provided for at level III of the Executive Schedule under section 5314 of title 5, United States Code.

“(2) The Under Secretary for Nuclear Security shall be appointed from among persons who—

“(A) have extensive background in national security, organizational management, and appropriate technical fields; and

“(B) are well qualified to manage the nuclear weapons, nonproliferation, and materials disposition programs of the National Nuclear Security Administration in a manner that advances and protects the national security of the United States.

“(3) The Under Secretary for Nuclear Security shall serve as the Administrator for Nuclear Security under section 3212 of the National Nuclear Security Administration Act. In carrying out the functions of the Administrator, the Under Secretary shall be subject to the authority, direction, and control of the Secretary. Such authority, direction, and control may be delegated only to the Deputy Secretary of Energy, without redelegation”.

SEC. 3203. ESTABLISHMENT OF POLICY FOR NATIONAL NUCLEAR SECURITY ADMINISTRATION.

(a) ESTABLISHMENT OF POLICY FOR ADMINISTRATION.—The Department of Energy Organization Act is amended by adding at the end of title II (42 U.S.C. 7131 et seq.) the following new section:

“ESTABLISHMENT OF POLICY FOR NATIONAL NUCLEAR
SECURITY ADMINISTRATION

42 USC 7144

“Sec. 213. (a) The Secretary shall be responsible for establishing policy for the National Nuclear Security Administration.

“(b) The Secretary may direct officials of the Department who are not within the National Nuclear Security Administration to review the programs and activities of the Administration and to make recommendations to the Secretary regarding administration of those programs and activities, including consistency with other similar programs and activities of the Department.

“(c) The Secretary shall have adequate staff to support the Secretary in carrying out the Secretary's responsibilities under this section.”.

(b) CLERICAL AMENDMENT.—The table of contents at the beginning of the Department of Energy Organization Act is amended by inserting after the item relating to section 212 the following new item:

“213. Establishment of policy for National Nuclear Security Administration.”.

SEC. 3204. ORGANIZATION OF DEPARTMENT OF ENERGY COUNTERINTELLIGENCE AND INTELLIGENCE PROGRAMS AND ACTIVITIES.¹

(a) ESTABLISHMENT OF OFFICES.—The Department of Energy Organization Act (42 U.S.C. 7101 et seq.) is amended by inserting after section 213, as added by section 3203(a), the following new sections:

“ESTABLISHMENT OF SECURITY, COUNTERINTELLIGENCE, AND
INTELLIGENCE POLICIES

42 USC 7144a

“Sec. 214. (a) The Secretary shall be responsible for developing and promulgating the security, counterintelligence, and intelligence policies of the Department. The Secretary may use the immediate staff of the Secretary to assist in developing and promulgating those policies.

¹ **Amendments** – 2006 – Sec. 214 (as added by Sec. 3204(a) of Pub. L. 106-65). Pub. L. 109-364, div. C, title XXXI, Sec. 3117(g), designated existing provision as subsec. (a) and added subsecs. (b) and (c). Sec. 215(b)(1), Sec. 216(b)(1) (as added by Sec. 3204(a) of Pub. L. 106-65). Pub. L. 109-364, div. C, title XXXI, Sec. 3117(f), struck out “which shall be a position in the Senior Executive Service” and inserted “who shall be an employee in the Senior Executive Service, the Senior Intelligence Service, the Senior National Intelligence Service, or any other Service that the Secretary, in coordination with the Director of National Intelligence, considers appropriate”.

“(b)(1) There is within the Department an Intelligence Executive Committee. The Committee shall consist of the Deputy Secretary of Energy, who shall chair the Committee, and each Under Secretary of Energy.

“(2) The Committee shall be staffed by the Director of the Office of Intelligence and the Director of the Office of Counterintelligence.

“(3) The Secretary shall use the Committee to assist in developing and promulgating the counterintelligence and intelligence policies, requirements, and priorities of the Department.

“(c) In the budget justification materials submitted to Congress in support of each budget submitted by the President to Congress under title 31, United States Code, the amounts requested for the Department for intelligence functions and the amounts requested for the Department for counterintelligence functions shall each be specified in appropriately classified individual, dedicated program elements. Within the amounts requested for counterintelligence functions, the amounts requested for the National Nuclear Security Administration shall be specified separately from the amounts requested for other elements of the Department.

“OFFICE OF COUNTERINTELLIGENCE

42 USC 7144b

“Sec. 215. (a) There is within the Department an Office of Counterintelligence.

“(b)(1) The head of the Office shall be the Director of the Office of Counterintelligence, who shall be an employee in the Senior Executive Service, the Senior Intelligence Service, the Senior National Intelligence Service, or any other Service that the Secretary, in coordination with the Director of National Intelligence, considers appropriate. The Director of the Office shall report directly to the Secretary.

“(2) The Secretary shall select the Director of the Office from among individuals who have substantial expertise in matters relating to counterintelligence.

“(3) The Director of the Federal Bureau of Investigation may detail, on a reimbursable basis, any employee of the Bureau to the Department for service as Director of the Office. The service of an employee of the Bureau as Director of the Office shall not result in any loss of status, right, or privilege by the employee within the Bureau.

“(c)(1) The Director of the Office shall be responsible for establishing policy for counterintelligence programs and activities at Department facilities in order to reduce the threat

of disclosure or loss of classified and other sensitive information at such facilities.

“(2) The Director of the Office shall be responsible for establishing policy for the personnel assurance programs of the Department.

“(3) The Director shall inform the Secretary, the Director of Central Intelligence, and the Director of the Federal Bureau of Investigation on a regular basis, and upon specific request by any such official, regarding the status and effectiveness of the counterintelligence programs and activities at Department facilities.

“(d)(1) Not later than March 1 each year, the Director of the Office shall submit a report on the status and effectiveness of the counterintelligence programs and activities at each Department facility during the preceding year. Each such report shall be submitted to the following:

“(A) The Secretary.

“(B) The Director of Central Intelligence.

“(C) The Director of the Federal Bureau of Investigation.

“(D) The Committee on Armed Services and the Permanent Select Committee on Intelligence of the House of Representatives.

“(E) The Committee on Armed Services and the Select Committee on Intelligence of the Senate.

“(2) Each such report shall include for the year covered by the report the following:

“(A) A description of the status and effectiveness of the counterintelligence programs and activities at Department facilities.

“(B) A description of any violation of law or other requirement relating to intelligence, counterintelligence, or security at such facilities, including—

(i) the number of violations that were investigated; and

(ii) the number of violations that remain unresolved.

“(C) A description of the number of foreign visitors to Department facilities, including the locations of the visits of such visitors.

“(D) The adequacy of the Department's procedures and policies for protecting national security information, making such recommendations to Congress as may be appropriate.

“(E) A determination of whether each Department of Energy national laboratory is in full compliance with all departmental security requirements and, in the case of any such laboratory that is not, what measures are being taken to bring that laboratory into compliance.

“(3) Not less than 30 days before the date that the report required by paragraph (1) is submitted, the director of each Department of Energy national laboratory shall certify in writing to the Director of the Office whether that laboratory is in full compliance with all departmental security requirements and, if not, what measures are being taken to bring that laboratory into compliance and a schedule for implementing those measures.

“(4) Each report under this subsection as submitted to the committees referred to in subparagraphs (D) and (E) of paragraph (1) shall be submitted in unclassified form, but may include a classified annex.

“OFFICE OF INTELLIGENCE

42 USC 7144c

“Sec. 216. (a) There is within the Department an Office of Intelligence.

“(b)(1) The head of the Office shall be the Director of the Office of Intelligence, who shall be an employee in the Senior Executive Service, the Senior Intelligence Service, the Senior National Intelligence Service, or any other Service that the Secretary, in coordination with the Director of National Intelligence, considers appropriate. The Director of the Office shall report directly to the Secretary.

“(2) The Secretary shall select the Director of the Office from among individuals who have substantial expertise in matters relating to foreign intelligence.

“(c) Subject to the authority, direction, and control of the Secretary, the Director of the Office shall perform such duties and exercise such powers as the Secretary may prescribe.”.

(b) CLERICAL AMENDMENT.—The table of contents at the beginning of the Department of Energy Organization Act is amended by inserting after the item relating to section 213, as added by section 3203(b), the following new items:

“214. Establishment of security, counterintelligence, and intelligence policies.

C, title XXXI, Sec. 3117(a)(2)(C) provides, effective September 30, 2010: “(C) section 3233 of the National Nuclear Security Administration Act (50 U.S.C. 2423) is amended— (i) in each of subsections (a) and (b), by striking ‘The Secretary of Energy shall’; and (ii) in subsection (b), by striking ‘Office of Counterintelligence of the Department of Energy’ and inserting ‘Administration’.”

establish and maintain a counterintelligence program adequate to protect national security information at that laboratory or production facility.

(b) OTHER FACILITIES.—The Secretary of Energy shall, at each Administration facility not described in subsection (a) at which Restricted Data is located, assign an employee of the Office of Counterintelligence of the Department of Energy who shall be responsible for and assess counterintelligence matters at that facility.

50 USC 2424

SEC. 3234. PROCEDURES RELATING TO ACCESS BY INDIVIDUALS TO CLASSIFIED AREAS AND INFORMATION OF ADMINISTRATION.

The Administrator shall establish appropriate procedures to ensure that any individual is not permitted unescorted access to any classified area, or access to classified information, of the Administration until that individual has been verified to hold the appropriate security clearances.

50 USC 2425

SEC. 3235. GOVERNMENT ACCESS TO INFORMATION ON ADMINISTRATION COMPUTERS.

(a) PROCEDURES REQUIRED.—The Administrator shall establish procedures to govern access to information on Administration computers. Those procedures shall, at a minimum, provide that any individual who has access to information on an Administration computer shall be required as a condition of such access to provide to the Administrator written consent which permits access by an authorized investigative agency to any Administration computer used in the performance of the duties of such employee during the period of that individual's access to information on an Administration computer and for a period of three years thereafter.

(b) EXPECTATION OF PRIVACY IN ADMINISTRATION COMPUTERS.—Notwithstanding any other provision of law (including any provision of law enacted by the Electronic Communications Privacy Act of 1986), no user of an Administration computer shall have any expectation of privacy in the use of that computer.

(c) DEFINITION.—For purposes of this section, the term “authorized investigative agency” means an agency authorized by law or regulation to conduct a counterintelligence investigation or investigations of persons who are proposed for access to classified information to ascertain whether such persons satisfy the criteria for obtaining and retaining access to such information.

SEC. 3236. CONGRESSIONAL OVERSIGHT OF SPECIAL ACCESS PROGRAMS.

(a) ANNUAL REPORT ON SPECIAL ACCESS PROGRAMS.—

(1) Not later than February 1 of each year, the Administrator shall submit to the congressional defense committees a report on special access programs of the Administration.

(2) Each such report shall set forth—

(A) the total amount requested for such programs in the President's budget for the next fiscal year submitted under section 1105 of title 31, United States Code; and

(B) for each such program in that budget, the following:

(i) A brief description of the program.

(ii) A brief discussion of the major milestones established for the program.

(iii) The actual cost of the program for each fiscal year during which the program has been conducted before the fiscal year during which that budget is submitted.

(iv) The estimated total cost of the program and the estimated cost of the program for

(I) the current fiscal year,

(II) the fiscal year for which the budget is submitted, and

(III) each of the four succeeding fiscal years during which the program is expected to be conducted.

(b) ANNUAL REPORT ON NEW SPECIAL ACCESS PROGRAMS.—

(1) Not later than February 1 of each year, the Administrator shall submit to the congressional defense committees a report that, with respect to each new special access program, provides—

(A) notice of the designation of the program as a special access program; and

(B) justification for such designation.

(2) A report under paragraph (1) with respect to a program shall include--

(A) the current estimate of the total program cost for the program; and

(B) an identification of existing programs or technologies that are similar to the technology, or that have a mission similar to the mission, of the program that is the subject of the notice.

(3) In this subsection, the term "new special access program" means a special access program that has not previously been covered in a notice and justification under this subsection.

(c) REPORTS ON CHANGES IN CLASSIFICATION OF SPECIAL ACCESS PROGRAMS.—

(1) Whenever a change in the classification of a special access program of the Administration is planned to be made or whenever classified information concerning a special access program of the Administration is to be declassified and made public, the Administrator shall submit to the congressional defense committees a report containing a description of the proposed change, the reasons for the proposed change, and notice of any public announcement planned to be made with respect to the proposed change.

(2) Except as provided in paragraph (3), any report referred to in paragraph (1) shall be submitted not less than 14 days before the date on which the proposed change or public announcement is to occur.

(3) If the Administrator determines that because of exceptional circumstances the requirement of paragraph (2) cannot be met with respect to a proposed change or public announcement concerning a special access program of the Administration, the Administrator may submit the report required by paragraph (1) regarding the proposed change or public announcement at any time before the proposed change or public announcement is made and shall include in the report an explanation of the exceptional circumstances.

(d) NOTICE OF CHANGE IN SAP DESIGNATION CRITERIA.—Whenever there is a modification or termination of the policy and criteria used for designating a program of the Administration as a special access program, the Administrator shall promptly notify the congressional defense committees of such modification or termination. Any such notification shall contain the reasons for the modification or termination and, in the case of a modification, the provisions of the policy as modified.

(e) WAIVER AUTHORITY.—

(1) The Administrator may waive any requirement under subsection (a), (b), or (c) that certain information be included in a report under that subsection if the Administrator determines that inclusion of that information in the report would adversely affect the national security. The Administrator may waive the report-and-wait requirement in subsection (f) if the Administrator determines that compliance with such requirement would adversely affect the national security. Any waiver under this paragraph shall be made on a case-by-case basis.

(2) If the Administrator exercises the authority provided under paragraph (1), the Administrator shall provide the information described in that subsection with respect to the special access

program concerned, and the justification for the waiver, jointly to the chairman and ranking minority member of each of the congressional defense committees.

(f) **REPORT AND WAIT FOR INITIATING NEW PROGRAMS.**—A special access program may not be initiated until—

- (1) the congressional defense committees are notified of the program; and
- (2) a period of 30 days elapses after such notification is received.

Subtitle C—Matters Relating to Personnel

50 USC 2441

SEC. 3241. AUTHORITY TO ESTABLISH CERTAIN SCIENTIFIC, ENGINEERING, AND TECHNICAL POSITIONS.

The Administrator may, for the purposes of carrying out the responsibilities of the Administrator under this title, establish not more than 300 scientific, engineering, and technical positions in the Administration, appoint individuals to such positions, and fix the compensation of such individuals. Subject to the limitations in the preceding sentence, the authority of the Administrator to make appointments and fix compensation with respect to positions in the Administration under this section shall be equivalent to, and subject to the limitations of, the authority under section 161 d. of the Atomic Energy Act of 1954 (42 U.S.C. 2201(d)) to make appointments and fix compensation with respect to officers and employees described in such section.

50 USC 2442

SEC. 3242. VOLUNTARY EARLY RETIREMENT AUTHORITY.

(a) **AUTHORITY.**—An employee of the Department of Energy who is separated from the service under conditions described in subsection (b) after completing 25 years of service or after becoming 50 years of age and completing 20 years of service is entitled to an annuity in accordance with the provisions in chapter 83 or 84 of title 5, United States Code, as applicable.

(b) **CONDITIONS OF SEPARATION.**—Subsection (a) applies to an employee who—

- (1) has been employed continuously by the Department of Energy for more than 30 days before the date on which the Secretary of Energy makes the determination required under paragraph (4)(A);
- (2) is serving under an appointment that is not limited by time;
- (3) has not received a decision notice of involuntary

separation for misconduct or unacceptable performance that is pending decision; and

(4) is separated from the service voluntarily during a period with respect to which—

(A) the Secretary of Energy determines that the Department of Energy is undergoing a major reorganization as a result of the establishment of the National Nuclear Security Administration; and

(B) the employee is within the scope of an offer of voluntary early retirement (as defined by organizational unit, occupational series or level, geographical location, any other similar factor that the Office of Personnel Management determines appropriate, or any combination of such definitions of scope), as determined by the Secretary under regulations prescribed by the Office.

(c) TREATMENT OF EMPLOYEES.—For purposes of chapters 83 and 84 of title 5, United States Code (including for purposes of computation of an annuity under such chapters), an employee entitled to an annuity under this section shall be treated as an employee entitled to an annuity under section 8336(d) or 8414(b) of such title, as applicable.

(d) DEFINITIONS.—As used in this section, the terms “employee” and “annuity”—

(1) with respect to individuals covered by the Civil Service Retirement System established in subchapter III of chapter 83 of title 5, United States Code, have the meaning of such terms as used in such chapter; and

(2) with respect to individuals covered by the Federal Employees Retirement System established in chapter 84 of such title, have the meaning of such terms as used in such chapter.

(e) LIMITATION AND TERMINATION OF AUTHORITY.—The authority provided in subsection (a)—

(1) may be applied with respect to a total of not more than 600 employees of the Department of Energy; and

(2) shall expire on September 30, 2003.

SEC. 3243. SEVERANCE PAY.

Section 5595 of title 5, United States Code, is amended by adding at the end the following new subsection:

5 USC 5595

“(j)(1) In the case of an employee of the Department of Energy who is entitled to severance pay under this section as a result of the establishment of the National Nuclear Security Administration, the Secretary of Energy may, upon application by the employee, pay the total amount of the severance pay to the employee in one lump sum.

“(2)(A) If an employee paid severance pay in a lump sum under this subsection is reemployed by the Government of the United States or the government of the District of Columbia at such time that, had the employee been paid severance pay in regular pay periods under subsection (b), the payments of such pay would have been discontinued under subsection (d) upon such reemployment, the employee shall repay to the Department of Energy an amount equal to the amount of severance pay to which the employee was entitled under this section that would not have been paid to the employee under subsection (d) by reason of such reemployment.

“(B) The period of service represented by an amount of severance pay repaid by an employee under subparagraph (A) shall be considered service for which severance pay has not been received by the employee under this section.

“(C) Amounts repaid to the Department of Energy under this paragraph shall be credited to the appropriation available for the pay of employees of the agency for the fiscal year in which received. Amounts so credited shall be merged with, and shall be available for the same purposes and the same period as, the other funds in that appropriation.

“(3) If an employee fails to repay to the Department of Energy an amount required to be repaid under paragraph (2)(A), that amount is recoverable from the employee as a debt due the United States.”.

SEC. 3244. CONTINUED COVERAGE OF HEALTH CARE BENEFITS.

5 USC 8905a

Section 8905a(d)(4)(A) of title 5, United States Code, is amended by inserting, “, or the Department of Energy due to a reduction in force resulting from the establishment of the National Nuclear Security Administration” after “reduction in force”.

Subtitle D – Budget and Financial Management

50 USC 2451

SEC. 3251. SEPARATE TREATMENT IN BUDGET.

(a) **PRESIDENT'S BUDGET.**—In each budget submitted by the President to the Congress under section 1105 of title 31, United States Code, amounts requested for the Administration shall be set forth separately within the other amounts requested for the Department of Energy.

(b) **BUDGET JUSTIFICATION MATERIALS.**--In the budget justification materials submitted to Congress in support of each such budget, the amounts requested for the Administration shall be specified in individual, dedicated program elements.

SEC. 3252. PLANNING, PROGRAMMING, AND BUDGETING PROCESS.¹⁰

(a) **PROCEDURES REQUIRED** – The Administrator shall establish procedures to ensure that the planning, programming, budgeting, and financial activities of the Administration comport with sound financial and fiscal management principles. Those procedures shall, at a minimum, provide for the planning, programming, and budgeting of activities of the Administration using funds that are available for obligation for a limited number of years.

(b) **ANNUAL PLAN FOR OBLIGATION OF FUNDS.**—

(1) Each year, the Administrator shall prepare a plan for the obligation of the amounts that, in the President's budget submitted to Congress that year under section 1105(a) of title 31, United States Code, are proposed to be appropriated for the Administration for the fiscal year that begins in that year (in this section referred to as the “budget year”) and the two succeeding fiscal years.

(2) For each program element and construction line item of the Administration, the plan shall provide the goal of the Administration for the obligation of those amounts for that element or item for each fiscal year of the plan, expressed as a percentage of the total amount proposed to be appropriated in that budget for that element or item.

(c) **SUBMISSION OF PLAN AND REPORT.**—The Administrator shall submit to Congress each year, at or about the time that the President's budget is submitted to Congress under section 1105(a) of title 31, United States Code, each of the following:

(1) The plan required by subsection (b) prepared with respect to that budget.

(2) A report on the plans prepared with respect to the preceding years' budgets, which shall include, for each goal provided in those plans—

(A) the assessment of the Administrator as to whether or not that goal was met; and

(B) if that assessment is that the goal was not met—

(i) the reasons why that goal was not met; and

(ii) the plan of the Administrator for meeting or, if necessary, adjusting that goal.

¹⁰ **Amendments** – 2000 – Pub. L. 106-398 designated existing provisions as subsec. (a), inserted heading, and added subsecs. (b) and (c).

SEC. 3253. FUTURE-YEARS NUCLEAR SECURITY PROGRAM.¹¹

(a) **SUBMISSION TO CONGRESS.**—The Administrator shall submit to Congress each year, at or about the time that the President's budget is submitted to Congress that year under section 1105(a) of title 31, United States Code, a future-years nuclear security program (including associated annexes) reflecting the estimated expenditures and proposed appropriations included in that budget. Any such future-years nuclear security program shall cover the fiscal year with respect to which the budget is submitted and at least the four succeeding fiscal years.

(b) **ELEMENTS.**—Each future-years nuclear security program shall contain the following:

(1) A detailed description of the program elements (and the projects, activities, and construction projects associated with each such program element) during the applicable five-fiscal year period for at least each of the following:

(A) For defense programs—

- (i) directed stockpile work;
- (ii) campaigns;
- (iii) readiness in technical base and facilities; and
- (iv) secure transportation asset.

(B) For defense nuclear nonproliferation—

- (i) nonproliferation and verification, research, and development;
- (ii) arms control; and

¹¹ **Amendments** – 2008 Subsec. (b). Pub. L. 110-181, Div C, Title XXXI, Subtitle C, Sec. 3123, added subsec. (b)(6) relating to plan for the physical and cyber security threats to the nuclear weapons complex.

2006 – Subsec. (b). Pub. L. 109-364, div. C, title XXXI, Sec. 3111(b), added par. (5) relating to plan for the transformation of the nuclear weapons complex.

2000 – Subsec. (b). Pub. L. 106-398, Sec. 1 (div. C, title XXXI, Sec. 3154(a)), added pars. (1) to (3), redesignated former par. (2) as (4), and struck out former par. (1) which read as follows: "The estimated expenditures and proposed appropriations necessary to support the programs, projects, and activities of the Administration during the five-fiscal year period covered by the program, expressed in a level of detail comparable to that contained in the budget submitted by the President to Congress under section 1105 of title 31."

Subsec. (c). Pub. L. 106-398, Sec. 1 (div. C, title XXXI, Sec. 3154(b)(1), (2)), redesignated subsec. (d) as (c) and struck out heading and text of former subsec. (c). Text read as follows: "The Administrator shall include in the materials the Administrator submits to Congress in support of the budget for any fiscal year that is submitted by the President pursuant to section 1105 of title 31 a description of how the funds identified for each program element in the weapons activities budget of the Administration for such fiscal year will help ensure that the nuclear weapons stockpile is safe and reliable as determined in accordance with the criteria established under section 3158 of the Strom Thurmond National Defense Authorization Act for Fiscal Year 1999 (Public Law 105-261; 112 Stat. 2257; 42 U.S.C. 2121 note)."

Subsec. (d). Pub. L. 106-398, Sec. 1 (div. C, title XXXI, Sec. 3154(b)(2), (3)), redesignated subsec. (e) as (d) and substituted "subsection (c)" for "subsection (d)". Former subsec. (d) redesignated (c).

Subsec. (e). Pub. L. 106-398, Sec. 1 (div. C, title XXXI, Sec. 3154(b)(2)), redesignated subsec. (e) as (d).

(iii) fissile materials disposition.

(C) For naval reactors, naval reactors operations and maintenance.

(2) A statement of proposed budget authority, estimated expenditures, and proposed appropriations necessary to support each program element specified pursuant to paragraph (1).

(3) A detailed description of how the funds identified for each program element specified pursuant to paragraph (1) in the budget for the Administration for each fiscal year during that five-fiscal year period will help ensure that the nuclear weapons stockpile is safe and reliable, as determined in accordance with the criteria established under section 3158 of the Strom Thurmond National Defense Authorization Act for Fiscal Year 1999 (42 U.S.C. 2121 note).

(4) A description of the anticipated workload requirements for each Administration site during that five-fiscal year period.

(5) A statement of proposed budget authority, estimated expenditures, and proposed appropriations necessary to support the programs required to implement the plan to transform the nuclear weapons complex under section 4214 of the Atomic Energy Defense Act, together with a detailed description of how the funds identified for each program element specified pursuant to paragraph (1) in the budget for the Administration for each fiscal year during that five-fiscal-year period will help ensure that those programs are implemented. The statement shall assume year-to-year funding profiles that account for increases only for projected inflation.

(6) A plan, developed in consultation with the Director of the Office of Health, Safety, and Security of the Department of Energy, for the research and development, deployment, and lifecycle sustainment of the technologies employed within the nuclear weapons complex to address physical and cyber security threats during the applicable five-fiscal year period, together with—

(A) for each site in the nuclear weapons complex, a description of the technologies deployed to address the physical and cyber security threats posed to that site;

(B) for each site and for the nuclear weapons complex, the methods used by the National Nuclear Security Administration to establish priorities among investments in physical and cyber security technologies; and

(C) a detailed description of how the funds identified for each program element specified pursuant to paragraph (1) in the budget for the Administration for each fiscal year during that five-fiscal year period will help carry

out that plan.

(c) CONSISTENCY IN BUDGETING.—

(1) The Administrator shall ensure that amounts described in subparagraph (A) of paragraph (2) for any fiscal year are consistent with amounts described in subparagraph (B) of paragraph (2) for that fiscal year.

(2) Amounts referred to in paragraph (1) are the following:

(A) The amounts specified in program and budget information submitted to Congress by the Administrator in support of expenditure estimates and proposed appropriations in the budget submitted to Congress by the President under section 1105(a) of title 31, United States Code, for any fiscal year, as shown in the future-years nuclear security program submitted pursuant to subsection (a).

(B) The total amounts of estimated expenditures and proposed appropriations necessary to support the programs, projects, and activities of the Administration included pursuant to paragraph (5) of section 1105(a) of such title in the budget submitted to Congress under that section for any fiscal year.

(d) TREATMENT OF MANAGEMENT CONTINGENCIES.—Nothing in this section shall be construed to prohibit the inclusion in the future-years nuclear security program of amounts for management contingencies, subject to the requirements of subsection (c).

50 USC 2454

SEC. 3254. SEMIANNUAL FINANCIAL REPORTS ON DEFENSE NUCLEAR NONPROLIFERATION PROGRAMS.¹²

(a) SEMIANNUAL REPORTS REQUIRED.—The Administrator shall submit to the Committees on Armed Services of the Senate and the House of Representatives a semiannual report on the amounts available for the defense nuclear nonproliferation programs of the Administration. Each such report shall cover a half of a fiscal year (in this section referred to as a “fiscal half”) and shall be submitted not later than 30 days after the end of that fiscal half.

(b) CONTENTS.—Each report for a fiscal half shall, for each such defense nuclear nonproliferation program for which amounts are available for the fiscal year that includes that fiscal half, set forth the following:

(1) The aggregate amount available for such program as of the beginning of such fiscal half and, within such amount, the uncommitted balances, the unobligated balances, and the unexpended balances.

¹² Source – Pub. L. 106-65, div. D, title XXXII, Sec. 3254, as added Pub. L. 108-136, div. C, title XXXI, Sec. 3121(a), Nov. 24, 2003.

(2) The aggregate amount newly made available for such program during such fiscal half and, within such amount, the amount made available by appropriations, by transfers, by reprogrammings, and by other means.

(3) The aggregate amount available for such program as of the end of such fiscal half and, within such amount, the uncommitted balances, the unobligated balances, and the unexpended balances.

Subtitle E—Miscellaneous Provisions

50 USC 2461

SEC. 3261. ENVIRONMENTAL PROTECTION, SAFETY, AND HEALTH REQUIREMENTS.

(a) COMPLIANCE REQUIRED.—The Administrator shall ensure that the Administration complies with all applicable environmental, safety, and health statutes and substantive requirements.

(b) PROCEDURES REQUIRED.—The Administrator shall develop procedures for meeting such requirements.

(c) RULE OF CONSTRUCTION.—Nothing in this title shall diminish the authority of the Secretary of Energy to ascertain and ensure that such compliance occurs.

50 USC 2462

SEC. 3262. COMPLIANCE WITH FEDERAL ACQUISITION REGULATION.

The Administrator shall establish procedures to ensure that the mission and programs of the Administration are executed in full compliance with all applicable provisions of the Federal Acquisition Regulation issued pursuant to the Office of Federal Procurement Policy Act (41 U.S.C. 401 et seq.).

50 USC 2463

SEC. 3263. SHARING OF TECHNOLOGY WITH DEPARTMENT OF DEFENSE.

The Administrator shall, in cooperation with the Secretary of Defense, establish procedures and programs to provide for the sharing of technology, technical capability, and expertise between the Administration and the Department of Defense to further national security objectives.

SEC. 3264. USE OF CAPABILITIES OF NATIONAL SECURITY LABORATORIES BY ENTITIES OUTSIDE THE ADMINISTRATION.

The Secretary, in consultation with the Administrator, shall establish appropriate procedures to provide for the use, in a manner consistent with the national security mission of the Administration under section 3211(b), of the capabilities of the national security laboratories by elements of the Department of Energy not within the Administration, other Federal agencies, and other appropriate entities, including the use of those capabilities to support efforts to defend against weapons of mass destruction.

Subtitle F—Definitions

SEC. 3281. DEFINITIONS.

For purposes of this title:

- (1) The term “national security laboratory” means any of the following:
 - (A) Los Alamos National Laboratory, Los Alamos, New Mexico.
 - (B) Sandia National Laboratories, Albuquerque, New Mexico, and Livermore, California.
 - (C) Lawrence Livermore National Laboratory, Livermore, California.
- (2) The term “nuclear weapons production facility” means any of the following:
 - (A) The Kansas City Plant, Kansas City, Missouri.
