

## Hoover Dam Rules for Travelers

As you travel across Hoover Dam, please keep the following guidance in mind to ensure the safety of yourself and others.

Also note that more detailed information about vehicle restrictions at Hoover Dam can be found at: <http://www.usbr.gov/lc/hoverdam/crossingguide.pdf> .

- All vehicles are subject to inspection at security checkpoints
- Park in designated parking areas only
- Vehicles are prohibited from stopping on top of the dam
- Speed limit across the dam is 15 miles per hour
- Stop for pedestrians in crosswalks
- Weapons transport must comply with state and federal standards, i.e. guns must be unloaded and in compliance with concealment laws. Also, no more than 1000 rounds of ammunition may be transported across the dam.
- Vehicles carrying hazardous, combustible or flammable materials (other than the vehicle's fuel) are NOT permitted to cross Hoover Dam. Munitions, explosives, fertilizer in excess of 40 pounds, fuel in authorized containers (gas cans, fuel drums, etc.) in excess of 25 gallons, or any material perceived to be a security risk are prohibited.

If you have questions about these guidelines, please call the Hoover Police Department administrative office at: (702) 494-2411.

Thank you! We appreciate your cooperation, and hope you enjoy your journey!
