

The following Security Advisory (SA) is not available because it is marked "Official Use Only – Security-Related Information" and is exempted from public disclosure in accordance with 10 CFR 2.390.

SA-04-09, "National Special Security Event At New York, NY" dated 7/19/2004

In 2004, DHS had designated an event in New York, New York a National Special Security Event (NSSE). Therefore, the NRC recommended that selected NRC nuclear power plants maintain heightened vigilance for potential security threats.

The Nuclear regulatory commission (NRC) has issued SA-04-09 to selected operating and decommissioning power reactor licensees. Note that the security advisory contains physical security information and is, therefore, being withheld from public disclosure in accordance with 10 CFR 2.390.
