

The following Security Advisory (SA) is not available because it is marked "Official Use Only – Security-Related Information" and is exempted from public disclosure in accordance with 10 CFR 2.390.

SA-04-10, "National Special Security Event At New York, NY" dated 7/19/2004

In 2004, DHS had designated an event in New York, NY a National Special Security Event (NSSE). Therefore, the NRC recommended that selected NRC Research and Test Reactor (RTR) licensees maintain heightened vigilance for potential security threats

The Nuclear regulatory commission (NRC) has issued SA-04-10 to selected decommissioning research and test reactor licensees. Note that the security advisory contains physical security information and is, therefore, being withheld from public disclosure in accordance with 10 CFR 2.390.
