According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

and will promptly reimburse Government for any payment made by Government to Holder which, if such Lender had held the guaranteed portion of the loan, Government would not be required to make. The Holder(s) upon written notice to the Lender may resell the unpaid balance of the guaranteed portion of the loan assigned hereunder. An endorsement may be added to the Form RD 3565-5 to effectuate the transfer

- 7. Repurchase by Lender. The Holder may make written demand on the Lender to repurchase the unpaid guaranteed portion of the loan when the borrower is in default not less than 60 calendar days on principal or interest due on the loan; or the Lender has failed to remit to the Holder its pro rata share of any payment made by the borrower within 30 calendar days of receipt by the Lender. The Holder must concurrently send a copy of the demand letter to the Government. The Lender will notify the Holder and the Government of its decision to repurchase within 10 business days from the date of the written demand letter by the Holder. The Lender may agree to repurchase the unpaid portion of the entire loan from the Holder, even though the guarantee does not cover any unguaranteed portion of the loan held by the Holder. If the Lender decides to repurchase, the Lender has 30 calendar days from the date of the Holder's written demand letter to do so. The guarantee does not cover any unguaranteed portion of the loan or the note interest to the Holder on the guaranteed loan accruing after 90 calendar days from the date of the Holder's demand letter to the Lender requesting the repurchase. The Lender may deduct the Lender's servicing fee from the repurchase amount. The Lender will accept an assignment without recourse from the Holder upon repurchase. The Lender is encouraged to repurchase the loan to facilitate the accounting of funds, resolve problems, and to prevent default where and when reasonable.
- **8. Repurchase by Government.** If the Lender does not repurchase the loan as provided in paragraph (a) of this section, the Government will purchase from the Holder the unpaid principal balance of the guaranteed portion together with accrued interest to date of repurchase, less the Lender's servicing fee, within 30 calendar days after written demand to the Government from the Holder. The guarantee will not cover the note interest to the Holder on the guaranteed loan accruing after 90 calendar days from the date of the original demand letter of the Holder to the Lender requesting the repurchase.

Holders of the Loan Note Guarantee that have been issued prior to the effect date of this final rule may opt to adhere to the terms and conditions of the Loan Note Guarantee then in effect. In the case of default, the Holder of a Loan Note Guarantee issued prior to the effective date of this final rule will stipulate, in a written demand for repurchase, its preference for repurchase in accordance with the Loan Note Guarantee issued prior to the effective date of this final rule. If the demand for repurchase does not stipulate a preference for repurchase in accordance with the Loan Note Guarantee issued prior to the effective date of this final rule, the Government will process for repurchase as stated in this final rule. The Holder must stipulate a preference for repurchase in accordance with the Loan Note Guarantee issued prior to the effective date of this final rule in the first demand for repurchase. The Holder of the Loan Note Guarantee issued prior to the effective date of this final rule cannot make a subsequent demand for repurchase changing the preference stipulated in the original demand for repurchase.

**9. Lender's Obligations.** The Government will notify the Lender of its receipt of the Holder's demand for payment. The Lender must provide the Government with the information necessary for the Government to determine the appropriate amount due the Holder within 10 business days from the date of the written demand letter to the Lender from the Holder requesting repurchase of the guaranteed portion. The Lender will furnish a current statement certified by an appropriate authorized officer of the Lender stating the unpaid principal and interest then owed by the borrower on the loan and the amount then owed to any Holder. Any discrepancy between the amount claimed by the Holder and the information submitted by the Lender must be resolved between the Lender and the Holder before payment will be approved. The Government will coordinate the resolution of the discrepancy. Such conflict will suspend the running of the 30 calendar day payment requirement.

Purchase by the Government does not change, alter, or modify any of the Lender's obligations to the Government arising from the loan or guarantee nor does it waive any of the Government's rights against the Lender. As Holder, the Government will have the right to set-off any payments the Government owes the Lender.

- 10. Repurchase by Lender for Servicing. If, in the opinion of the Lender, repurchase of the assigned portion of the loan is necessary to adequately service the loan, the Holder will sell the assigned portion of the loan to the Lender for an amount equal to the unpaid principal and interest (including any loan subsidy) on such portion less Lender's servicing fee. The loan note guarantee will not cover the note interest to the Holder on the guaranteed loans accruing after 90 days from the date of the demand letter of the Lender or the Government to the Holder(s) requesting the Holder(s) to tender their guaranteed portion(s).
  - a. The Lender will not repurchase from the Holder(s) for arbitrage purpose or other purposes to further its own financial gain.
  - b. Any repurchase will only be made after the Lender obtains the Government's written approval.
  - c. If the Lender does not repurchase the portion from the Holder(s), the Government at its option may purchase such guaranteed portions for servicing purposes.
- 11. Foreclosure. The parties owning the guaranteed portions and unguaranteed portion of the loan will join to institute foreclosure action, or in lieu of foreclosure, take a deed of conveyance to such parties.
- 12. Reassignment. Holder upon written notice to Lender and the Government may reassign the unpaid guaranteed portion of the loan sold hereunder. The Holder who reassigns the guaranteed portion must complete an Agency approved assignment guarantee agreement for the new assignee and submit it to the Government. Upon such notification, the Assignee will succeed to all rights and obligations of the Holder hereunder.
