Food and Drug Administration

Disclaimer

This briefing document has been prepared by the Food and Drug Administration (FDA) for the panel members of the advisory committee. The FDA background package often includes initial and/or preliminary conclusions and recommendations written by individual FDA reviewers. These conclusions and recommendations do not necessarily represent the final position of the individual reviewers, nor do they necessarily represent the final position of the FDA. The FDA will not issue a final determination on the issues at hand until input from the advisory committee process has been considered and all reviews have been completed.
