**GENERAL INFORMATION, INSTRUCTIONS, AND DEFINITIONS**

**BACKGROUND.**—The information requested in this questionnaire is for use by the Commission in its investigation on *Certain Textile Articles: Travel Goods of Textile Materials*, requested by the U.S. Congress, House of Representatives, Committee on Ways and Means, on October 25, 2006. As requested by the Committee, the Commission will provide, to the extent possible, data for 2005 and 2006 on the level of U.S. production and shipments of travel goods and the textile materials used to make such goods.

**NONDISCLOSURE OF CONFIDENTIAL BUSINESS INFORMATION.**—The commercial and financial data furnished in response to this questionnaire that reveal the individual operations of your firm will be treated as confidential business information by the Commission to the extent that such data are not otherwise available to the public and will not be published in a manner that will reveal the individual operations of your firm and will not be disclosed except as may be required by law. Section 332(g) of the Tariff Act of 1930 provides that the Commission may not release information that qualifies as confidential business information (under Commission Rule 201.6 (19 CFR § 201.6)) unless the party submitting the confidential business information had notice, at the time of submission, that such information would be released by the Commission, or such party subsequently consents to the release of the information.

Information submitted in this questionnaire response and throughout this investigation may be used by the Commission, its employees, and contract personnel who are acting in the capacity of Commission employees, for developing or maintaining the records of this investigation or related proceedings for which this information is submitted, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3. All contract personnel will sign non-disclosure agreements.

The Committee on Ways and Means has indicated that it intends to make the Commission's report available to the public in its entirety, and has asked that the Commission not include any confidential business information in the report it sends to the Committee. Any confidential business information received by the Commission in this investigation and used in preparing this report will not be published in a manner that would reveal the operations of the firm supplying the information.

Written inquiries may be mailed to the address on the front page of this questionnaire. For additional copies of this form, you may contact Kimberlie Freund or Heidi Colby-Oizumi, use photocopies of this form, or download a copy from the Commission's Web site at [http://www.usitc.gov/ind\\_econ\\_ana/research\\_ana/outerwear.htm](http://www.usitc.gov/ind_econ_ana/research_ana/outerwear.htm). Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810.

## GENERAL INSTRUCTIONS

1. Please prepare one questionnaire for all of your manufacturing establishments located in the United States, including those operated by your firm or wholly owned subsidiaries of your firm, that produce travel goods (as defined below).
2. **Answer all questions.** If the answer to any question is “zero,” so state; if it is not available, indicate “N/A.” If the information requested is not readily available from your records, please furnish carefully prepared estimates—designated as such by the letter “E.”

## DEFINITIONS

1. **Firm.**—An individual proprietorship, partnership, joint venture, association, corporation (including all divisions, any subsidiary corporations, and parent corporations), business trust, cooperative, trustees in bankruptcy, or receivers under decree of any court, owning or controlling one or more establishments, as defined below.
2. **Establishment.**—Each facility of a firm in the United States involved in the production of travel goods with an outer surface of textile materials, including auxiliary facilities operated in conjunction with (whether or not physically separate from) such facilities (e.g., shipping facilities and warehouses).
3. **Travel goods with an outer surface of textile materials.**—Includes only items with an outer surface of textile materials, as defined below. Excludes all handbags and articles usually contained in a handbag or wallet, insulated food and beverage bags, musical instrument cases, and other items not listed below.

**a.) Trunks, suitcases, vanity cases, and similar containers with an outer surface of textile materials.**—Articles listed above as reported as part of one of the following subheadings of the Harmonized Tariff Schedule of the United States (HTS):<sup>1</sup> 4202.12.40, 4202.12.60, and 4202.12.80 (statistical reporting numbers 4202.12.80.50, 4202.12.80.60, 4202.12.80.70, and 4202.12.80.80).

This category includes products typically described as hard-sided and soft-sided luggage, including matching shoulder bags and vanity cases, as well as rolling duffel bags that contain some internal structure or framing. This category also includes all pieces sold in a luggage set, when the largest piece is a suitcase.

**b.) Attaché cases, briefcases, computer cases and similar containers with an outer surface of textile materials.**—Articles listed above as reported as part of HTS subheading: 4202.12.80 (statistical reporting numbers 4202.12.80.10, 4202.12.80.20, 4202.12.80.30, and 4202.12.80.40).

This category includes products typically described as brief cases and computer cases, including backpacks and sleeves specifically designed to carry computers. This category also includes messenger bags that either have only carry handles or are slung only over one shoulder. This category *does not* include occupationally specific bags (e.g., camera bags, bike-messenger bags, etc.)

---

<sup>1</sup> The Harmonized Tariff Schedule of the United States may be viewed on the Commission's website at [http://www.usitc.gov/tata/hts/bychapter/index\\_old-01032007.htm](http://www.usitc.gov/tata/hts/bychapter/index_old-01032007.htm). The HTS numbers are provided for convenience only; the written description of the products is dispositive.

**c.) Travel, sports, and similar bags with an outer surface of textile materials.**—Articles listed above as reported as part of one of the following subheadings of the HTS: 4202.92.15, 4202.92.20, and 4202.92.30 (except for manmade-fiber backpacks reported in the HTS under statistical reporting number 4202.92.30.20).

This category includes products typically described as tote bags primarily intended for travel (not otherwise included as part of luggage sets), garment bags, duffel bags (without any internal framing or structure), gym bags, and backpacks of non-manmade fibers (such as cotton). This category does not include tote bags intended to be used as handbags, golf bags, food and beverage bags, tennis racket carrying bags, ski bags, fishing bags, or similar sports-specific bags. This category also does not include camera bags.

**d.) Wheeled Backpacks of Manmade Fiber Textile Materials.**—Wheeled backpacks of man-made fibers, as reported in the HTS under statistical reporting number 4202.92.30.20 and not otherwise described in any of the other definitions.

**e.) Non-wheeled Backpacks of Manmade Fiber Textile Materials.**—Non-wheeled backpacks of man-made fibers, as reported in the HTS under statistical reporting number 4202.92.30.20 and not otherwise described in any of the other definitions.

4. **Production.**—All production in your U.S. establishment(s), including production consumed internally within your firm, production for another firm, and production for export.
5. **U.S. commercial shipments.**—Shipments of products produced in your U.S. establishment(s) and your shipments of products produced by other firms on a contract basis. Commercial shipments exclude shipments to U.S. Military and Government, transfers to related firms, and internal consumption. Shipment quantities.--Quantities reported should be net of returns. Shipment values.--Values reported should be net values (i.e., gross sales values less all discounts, allowances, rebates, prepaid freight, and the value of returned goods), f.o.b. your U.S. producing establishment(s).
6. **Exports.**—Shipments to destinations outside the United States, including shipments to related firms.
7. **U.S.-produced textile materials.**—Any U.S.-produced fabric used in any of the following applications: the outer surface of travel goods; the straps that are part of travel goods; and the interior lining of travel goods.

PART I.-GENERAL QUESTIONS

Public reporting burden for this questionnaire, based on field testing, is estimated to average 6 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to: Louise Gillen, Office of Operations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.
