

Training Evaluation Form

Please take a few minutes to provide feedback on your training experiences with the Branch of Geophysics. Your input is very important to us!

Name: _____ **Course(s) attended:** _____
Division/Branch/Office: _____

Please rate the following on a scale of 1 (poor) to 5 (excellent):

	Poor 1	2	Acceptable 3	4	Excellent 5
Advance information <i>Comments:</i>					
Location <i>Comments:</i>					
Physical Facilities <i>Comments:</i>					
Course content <i>Comments:</i>					
Course materials <i>Comments:</i>					
Course organization <i>Comments:</i>					
Course activities/exercises <i>Comments:</i>					
Field exercises/demos <i>Comments:</i>					
Instructor (1): _____ <i>Comments:</i>					
Instructor (2): _____ <i>Comments:</i>					
Instructor (3): _____ <i>Comments:</i>					
Instructor (4): _____ <i>Comments:</i>					

- **How did you hear about the course?**

- **Did the course meet your expectations? Please explain why or why not.**

- **Did the course materials effectively support the course goals and exercises? If not, please explain.**

- **Please list three things you gained from the course:**

- **How do you plan to apply the information and techniques from the course?**

- **What challenges or obstacles have you experienced or do you anticipate experiencing in your attempts to implement information or practices from this course?**

- **Given the opportunity, what would you have changed about the course?**

- **What follow-up from the Branch of Geophysics would be most useful for you?**

Do you have any other comments or suggestions?

*Completed evaluations can be returned by e-mail to acwaxman@usgs.gov,
by fax to (860) 487-8802, or by mail to USGS, 11 Sherman Place U-5015, Storrs, CT 06269.*
