Demonstration and Training Programs - 2002

CFDA Number: 84.235 - Rehabilitation Services Demonstration and Training_Special Demonstration Programs

Goal 8: To expand, improve or further the purposes of activities authorized under the Act.

Objective 8.1 of 2: Expand and improve the provision of rehabilitation services that lead to employment outcomes.

Indicator 8.1.1 of 2: Expansion: Eighty percent of projects will be judged to have successfully implemented strategies or yielded results that can contribute to the expansion of services for or the employment of individuals with disabilities.

Targets and Performance Data			Assessment of Progress	Sources and Data Quality
.			<p>Status: Unable to judge</p> <p>Progress: Annual reports for 10/01 – 09/02 have been received and data is being analyzed by Program Officers.</p> <p>Explanation: Data from the reports will be available by the February, 2003 reporting period.</p>	<p>Additional Source Information: Web-based Annual Performance Reports.</p> <p>Frequency: Annually.</p> <p>Collection Period: 2001 - 2002</p> <p>Data Available: February 2003</p> <p>Validated By: No Formal Verification.</p>
Year	Actual Performance	Performance Targets		
1999	95.60			
2001		80		

Indicator 8.1.2 of 2: The percentage of projects reporting an impact on rehabilitation service providers including state VR agencies, community rehabilitation service providers, and other providers of rehabilitation services will increase.

Targets and Performance Data			Assessment of Progress	Sources and Data Quality
.			<p>Status: Unable to judge</p> <p>Progress: Annual reports for 10/01 – 09/02 have been received and data is being analyzed by Program Officers.</p> <p>Explanation: Data from the reports will be available by the February, 2003 reporting period.</p>	<p>Frequency: Annually.</p> <p>Collection Period: 2001 - 2002</p> <p>Data Available: February 2003</p> <p>Validated By: No Formal Verification.</p> <p>Data will be supplied by grantees through uniform reporting. No formal verification procedure applied.</p> <p>Limitations: Grantees may have difficulty in reporting on their impact to an external agency. Numerous external factors may change the provision or methods of rehabilitation services, and grantees may not be able to pinpoint their impact in the process. Increased contact/interaction with State VR and other rehabilitation service agencies should increase the impact.</p>
Year	Actual Performance	Performance Targets		
2000	83			

Objective 8.2 of 2: Disseminate information about successful new types of patterns of services or devices for individuals with disabilities and report the impact of the projects.

Targets and Performance Data			Assessment of Progress	Sources and Data Quality
<i>Percentage of projects</i>			<p>Status: Unable to judge</p> <p>Progress: Data from FY 2001 was used to establish a baseline.</p> <p>Explanation: Data are not available for FY2002.</p>	<p>Additional Source Information: Web-based Annual Performance Report</p> <p>Frequency: Annually.</p> <p>Collection Period: 2002</p> <p>Data Available: April 2003</p> <p>Validated By: No Formal Verification. Data will be supplied by grantees through uniform reporting. No formal verification procedure applied.</p> <p>Limitations: Grantees and their objectives, goals and activities are extremely diverse, ranging from direct consumer services, system change projects, technical assistance projects, etc. In addition, this is the first year of using the web-based system. Using the Unified Data Collection Instrument will improve the self-reports from the grantees.</p>
