Associate Director, NIH, and
Chief, Division of Regional Medical Programs

Reporting Highlights of the third meeting of the National
Advisory Council on Regional Medical Programs, April 29-30,
1966

At the third meeting of this Council, 11 planning grants
were reviewed. Of these, the Council made the following
recommendations:

- 5 were recommended for approval
- 5 were recommended for deferral
- 1 was withdrawn (incomplete)

The Council recommended that the staff of this Division have
discussions with each applicant prior to making an award, in
order to negotiate any problems which were discussed by the
Council.
