

Prineville Reservoir Resource Management Plan Environmental Assessment

State Park North Expansion Area (Proposed)

- Cabin cluster (10 max.)
- Group camp (20 sites max.)
- Trails - hiking and biking

Antelope Creek Day Use Area (Proposed)

- Developed day use area with swimming and picnicking
- Group day use area with shelter
- Non-motorized trailhead and trail connections
- Parking (50 max.)

Vehicle Access

- Maintain current seasonal closure of north side road
- Road closed between Old Field and Combs Flat Road Dec 15 - March 15
- Road closed between Jasper Point and Old Field Nov 15 - April 15

State Park Campground

- Expand existing maintenance yard
- Relocate registration booth
- Improve trail to Jasper Point
- Expand overnight moorage (20 max.)
- Infrastructure improvements
- Construct a dump station
- Provide seasonal employee housing
- New office

County Boat Ramp

- Improve existing boat ramp
- Improve parking/traffic

Juniper Point

- Up to 20 primitive-designated campsites
- Gravel roads

Big Bend Campground

- No changes to existing campground configuration

Powder House Cove

- Improved, two-lane boat ramp with turnarounds
- Gravel parking lot with spaces for 25 cars/trailers
- Courtesy boat dock
- 4-unit concrete vault restroom
- New gravel access road from Hwy 27
- Accessible to persons with disabilities
- Day use area only
- 75 max. additional parking stalls

Bear Creek

- Maintain existing condition and use patterns

Cattle Guard

- Maintain existing condition and use patterns

Juniper Bass

- Maintain existing condition and use patterns

Old Field

- Maintain existing condition and use patterns

Combs Flat

- Maintain existing condition and use patterns

State Wildlife Area Topics:

Land-Based Recreation

- No land-based overnight recreation allowed along south shoreline - day use only
- Dispersed camping allowed in all other areas

Habitat Enhancement

- Continue to enhance habitats and initiate specific projects as funding allows without a comprehensive Wildlife Management Plan
- Focus natural resource management funding for restoration efforts in State Wildlife Area such as Old Field and Owl Creek

Owl Creek

- Maintain existing condition and use patterns

Jasper Point Boat Ramp and Campground

- Construct small maintenance yard area

Bottero Subdivision (private)

Prineville Resort
(Pending results of financial feasibility study)

- New boat ramp east of existing boat ramp
- Provide additional cabins (10 max.)
- Provide additional developed campsites
- Provide additional moorage

Roberts Bay East

- Medium density primitive fee campground, up to 50 primitive-designated campsites
- Self-registration and fee assessed
- Group camp
- 1 camp host site with solar-generated electricity
- Minimal amenities - potable water and vault toilets
- Day-use area for picnicking and swimming
- Parking (50 max.)
- Trails

Roberts Bay West

- Up to 20 primitive-designated campsites
- Designated group camping area
- Boat ramp and parking area (50 truck and trailer, 20 car, max.)
- Trailhead parking (20 max.) and trail to island
- Maintenance yard

Road to Roberts Bay

- Maintain existing Roberts Bay Road on Reclamation lands
- Coordinate with authorities to improve and maintain access road to Roberts Bay outside of Reclamation lands
- Install traffic and directional signs

FIGURE 2.3-2

Alternative B

Management Alternative Designations

-  No Overnight Use
-  Designated Recreation Sites
-  Other Reclamation Lands
-  Private Land
-  Resort Concession Area
-  State Wildlife Area
-  Study Area Boundary
-  Prineville Reservoir SWA Boundary
-  Road
-  Highway
-  Stream
