#### CONFLICT EMPLOYMENT APPLICATION ISSUES

Please list any matter on which you have worked and/or are presently working involving thi	İS
Office. Identify the matter and provide the name of the assigned AUSA. If, during the cour	rse
of the application process, you commence working on any additional matter involving this	
Office, please advise us in writing with appropriate identifying information. (This paragrap	ph
does <u>not</u> apply to cases worked on as a law clerk in the EDNY or Second Circuit.)	

If you are working on a <u>criminal</u> case or matter involving this Office, you must immediately advise, in writing, the Assistant United States Attorney(s) assigned to the case that you have submitted an application to this Office so that a hearing pursuant to United States v. Curcio, 680 F.2d 881 (2d Cir. 1982), may be held. A copy of this letter should be forwarded to the Executive Assistant United States Attorney. (This paragraph does <u>not</u> apply to current law clerks in the EDNY or Second Circuit.)

If you are a <u>current law clerk</u> in the Eastern District of New York or in the Second Circuit, please confirm in writing to the Executive Assistant United States Attorney that you have discussed your application to this Office with your judge and enclose the letter with this application.

In addition, you may have other disclosure or recusal obligations with respect to clients and/or your employer concerning your application to this Office. Please consult ABA Formal Opinion No. 96-400 (1996) (job negotiations with adverse firm or party); Association of the Bar of the City of New York, Committee on Professional and Judicial Ethics, No. 1991-1 (same); Committee on Codes of Conduct of the Judicial Conference of the United States, Advisory Opinions 81 (when law clerk's future employer is the United States Attorney) and 74 (law clerk's future employer). Copies of these ethics opinions have been included with your application package for your perusal.

#### **BACKGROUND INVESTIGATION**

Note: In the event you receive an offer of employment for the position of Assistant United States Attorney, there will be, pursuant to Department of Justice policy, a thorough background investigation conducted by the Federal Bureau of Investigation. Among other personal background matters, the FBI will check into any past use of controlled substances -- although past use of a controlled substance is not per se disqualification for the AUSA position. However, you should be aware that in some instances, the Department of Justice has had to withdraw an employment offer because the FBI investigation revealed information that precluded a security and/or suitability clearance (e.g. failure to timely file income tax returns, serious credit problems, abuse of alcohol, history of usage of controlled substances, prior arrests and/or convictions, misrepresentation on security forms filed by the applicant). A significant hardship is created for all concerned if an offer must be withdrawn at the end of the lengthy process. Accordingly, we want to alert you to these potential problems at the outset and invite you to discuss any concerns you may have. Please feel free to contact this Office at (718) 254-6258 if you have any questions.

You should also be advised that all applicants receiving conditional offers of employment with the Department of Justice are required to take and pass a drug test. An applicant who refuses to be tested will be disqualified from appointment to the position.
