Washington, DC is one of the most beautiful cities in the world. It can also be one of the most confusing if you're not quite sure where you want to go, and what you want to see.

Mac Thornberry can provide assistance to 13th District residents who are coming to Washington on vacation. This assistance includes helping to arrange Congressional tours of the U.S. Capitol, the White House, the Library of Congress, The U.S. Supreme Court, the Bureau of Engraving and Printing, and other attractions. Gallery passes to the House and Senate Chambers may be obtained when Congress is in session.

Congressional tour tickets go fast and are often hard to come by, particularly in the spring and summer, so try to contact Mac with your tour request as early as possible.
