I. Purpose

The purpose of the PR Notice is to announce that liquid chemical sterilant products intended for use on critical or semi-critical medical devices are no longer regulated as "pesticides" by the Environmental Protection Agency (EPA), but as "medical devices" under the regulatory authority of the Food and Drug Administration (FDA). For the affected liquid chemical sterilants, EPA will no longer follow the procedures described in the Memorandum of Understanding (MOU) between EPA and FDA signed on June 4, 1993 and amended on June 20, 1994. The goal of this notice is to clarify the authorities of FDA and EPA as they apply to liquid chemical sterilants, thereby increasing the efficiency of regulatory processes affecting these products.

II. Applicability

The PR Notice applies to all manufacturers, formulators, producers, and registrants of liquid chemical sterilant products intended for use on critical or semi-critical medical devices, and to products with subordinate disinfectant claims, such as tuberculocidal or virucidal claims, which support a high level disinfectant use pattern for critical or semi-critical devices.

III. Contents of the PR Notice

This notice informs registrants of liquid chemical sterilant products how to ensure that their products remain in compliance with FIFRA requirements where FIFRA still applies, and how products no longer regulated under FIFRA will be treated by EPA. In particular, the affected products will no longer be permitted to bear both FDA- and EPA-regulated claims. This notice supersedes all provisions of PR Notice 94-4 with respect to liquid chemical sterilants, but retains the provisions of PR Notice 94-4 that apply solely to general purpose disinfectants.

FEDERAL TRADE COMMISSION

[Dkt. C-3723]

Boeing Co.; Prohibited Trade Practices, and Affirmative Corrective Actions

AGENCY: Federal Trade Commission.

ACTION: Consent order.

SUMMARY: In settlement of alleged violations of federal law prohibiting unfair or deceptive acts or practices and unfair methods of competition, this consent order involves the Boeing Company's acquisition of Rockwell International Corporation's aerospace and defense business and the competition in the markets for high altitude endurance unmanned air vehicles ("UAVs") and space launch vehicles. The consent order, among other things, gives Teledyne Ryan, the prime contractor of one team, the opportunity to replace Boeing on that team, thereby protecting competition in the UAVs market. The consent order also establishes a "firewall" to prevent the flow of competitively sensitive information between Boeing's team and a division of Rockwell International Corporation's aerospace and defense business that is currently providing wings to the other teams, establishes a firewall that prevents Boeing from making any space launch vehicle manufacturer's non-public information available to its launch vehicle division, and allows Boeing to use such information only in its capacity as a propulsion system provider.

DATES: Complaint and Order issued March 5, 1997.¹

FOR FURTHER INFORMATION CONTACT: George Cary, FTC/H-374, Washington, DC 20580. (202) 326-3741.

SUPPLEMENTARY INFORMATION: On Monday, December 16, 1996, there was published in the **Federal Register**, 61 FR 66038, a proposed consent agreement with analysis in the Matter of The Boeing Company, for the purpose of soliciting public comment. Interested parties were given sixty (60) days in which to submit comments, suggestions or objections regarding the proposed form of the order.

¹ Copies of the Complaint and the Decision and Order are available from the Commission's Public Reference Branch, H-130, 600 Pennsylvania Avenue, NW., Washington, DC 20580.

No comments having been received, the Commission has ordered the issuance of the complaint in the form contemplated by the agreement, made its jurisdictional findings and entered an order to cease and desist, modified as set forth in the proposed consent agreement, in disposition of this proceeding.

Analysis of Proposed Consent Orders to Aid Public Comment

The Federal Trade Commission has accepted separate agreements, subject to final approval, to proposed consent orders from three advertising agencies—Grey Advertising, Inc. ("Grey"), Rubin Postaer and Associates, Inc. ("Rubin Postaer"), and Foote, Cone & Belding, Inc., ("FCB") (collectively referred to as "respondents").

The proposed consent orders have been placed on the public record for sixty (60) days for reception of comments by interested persons. Comments received during this period will become part of the public record. After sixty (60) days, the Commission will again review the agreements and the comments received and will decide whether it should withdraw from the agreements or make final the agreements' proposed orders.

These matters concern automobile lease and/or credit advertisements at issue in the Federal Trade Commission's enforcement actions against Mitsubishi Motor Sales of America, Inc. ("Mitsubishi"), Dkt. No. C-3713, American Honda Motor Corporation, Inc. ("Honda"), Dkt. No. C-3711, and Mazda Motor of America, Inc. ("Mazda"), Dkt. No. C-3714. The complaints allege that Grey, Rubin Postaer, and FCB, the advertising agencies for Mitsubishi, Honda, and Mazda, respectively, created and disseminated automobile lease advertisements that violate the Federal Trade Commission Act ("FTC Act"), the Consumer Leasing Act ("CLA"), and Regulation M. The complaint against Grey also alleges that respondent Grey's automobile credit advertisements violated the FTC Act, the Truth in Lending Act ("TILA"), and Regulation Z.

Section 5 of the FTC Act prohibits false, misleading, or deceptive representations or omissions of material information in advertisements. In addition, Congress established statutory
