

Utilization, for their military department or defense agency, select as many eligible prime contractors (at least five) for participation under the Program as deemed appropriate.

2. Establish a "Comprehensive Small Business Subcontracting Plan" negotiating team(s) composed as follows:

a. A contracting officer(s) who will be responsible for negotiation and approval of the comprehensive subcontracting plan(s) as well as the responsibilities at FAR 19.705.

b. The contracting activity's Small and Disadvantaged Business Utilization Specialist.

c. The Small and Disadvantaged Business Utilization Specialist of the cognizant contract administration activity that administers the preponderance of the selected prime contractor's contracts and/or the appropriate individual who will administer contractor performance under the test in accordance with FAR 19.706 and the provisions herein.

d. Production specialist, price analyst and other functional specialists as appropriate.

C. The designated contracting officer shall:

1. Encourage prime contractors interested in participating in the program to enter the program on a plant or facility basis.

2. Solicit proposed comprehensive subcontracting plans from selected contractor(s) as soon as possible and by July 1, annually thereafter.

3. By October 1, and annually thereafter, review, negotiate and approve on behalf of DoD a comprehensive subcontracting plan for each selected contractor.

4. Distribute copies of the approved subcontracting plan in accordance with paragraph VI(A).

5. Upon negotiation and acceptance of the comprehensive subcontracting plan, obtain from the contractor:

a. A listing of all active DoD contracts that contain individual subcontracting plans required by Section 211 of Public Law 95-507.

b. The listing shall include the following:

- i. Contract number.
- ii. Name and address of the contracting activity.
- iii. Contracting officer's name and phone number.

6. Upon receipt of the information provided by the participating contractor under paragraph V(C)(4), direct the designated administrative contracting officer to issue a comprehensive change order, which modifies all of the contractor's active DoD contracts that include subcontracting plans. The modification will substitute the contractor's approved comprehensive subcontracting plan for the individual plans, will substitute the clause at DFARS 252.219-7004 for the clause at FAR 52.219-9, and will delete the clauses at FAR 52.219-10 and 52.219-16 and DFARS 252.219-7003 and 252.219-7005, as appropriate.

7. Review annually, with the contract administration activity, the contractor's performance under the plan. Document the review findings and distribute, in accordance with paragraph VI(A), within 45 days of the end of the fiscal year.

8. By November 15 of the year after acceptance, and annually thereafter,

determine whether the contractor has met its comprehensive subcontracting goals. If the goals have not been met, determine whether there is any indication that the contractor failed to make a good faith effort and take appropriate action.

9. By December 15, 2005, prepare and submit a report on each participating contractor's performance which details the results of the Program. The report must compare the contractor's performance under the Program with its performance for the three fiscal years prior to acceptance into the Program. The report distribution will be in accordance with paragraph VI(A).

D. Participating contractors:

1. Shall establish their comprehensive subcontracting plans on the same corporate, division or plant-wide basis under which they submitted the SF 295 during the preceding fiscal year, except that those contractors that historically reported through a higher headquarters can elect to participate as a separate (lower-level) reporting profit center, plant or division if the contractor achieved an SDB subcontracting performance rate of 5 percent or greater in the preceding fiscal year.

2. Upon negotiation of an acceptable comprehensive subcontracting plan, shall be exempt from individual contract-by-contract reporting requirements for DoD contracts and subcontracts under DoD contracts unless otherwise required in accordance with paragraph III(C)(5).

3. Shall continue individual contract reporting on non-DoD contracts.

4. Shall comply with the flow-down provisions of Section 211 of Public Law 95-507 for large business subcontractors which are not participating in the Program. Participating contractors are prohibited from flowing down the "Comprehensive" subcontracting deviation provisions of DFARS 252.219-7004. Accordingly, large business subcontractors to the participating contractors who themselves are not participating in the Program shall be required to establish individual subcontracting plans with specific goals for awards to small business, small disadvantaged business and women-owned small business concerns.

5. Upon expulsion from the Program or Program termination on September 10, 2005, shall negotiate and establish individual subcontracting plan son all future DoD contracts that otherwise meet the requirements of Section 211 of Public Law 95-507.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Director of OMB provide interested Federal agencies and the public an early opportunity to comment on information collection requests. Office of the Chief Financial Officer

Type of Review: Reinstatement.

Title: Grant Performance Report.

Abstract: ED uses the information collection specific to ED FORM 524-B for the award and administration of multi-year discretionary grants. The Department has substantially increased the flexibility of the grant process by enabling all years of multi-budgets to be negotiated at the time of the initial award. (ED GAPS001) and to submit only performance report (ED FORM 524-B) to receive continuation funding. This clearance also includes government-wide common rules for institutions of Higher Education, Non-Profit agencies, and State and local governments.

Additional Information: There is an urgent need for the six principal offices to disseminate the approved Grant Performance Report (524-B) at scheduled technical assistance meetings in February and March in order for recipients to prepare the reports accurately and to submit them in a timely manner. Failure to receive the information and technical assistance would result in additional hardship to an estimated 6,000 recipients.

Failure to receive the reports in a timely manner would delay ED from issuing the continuation awards in accordance with Departmental directives. Also, the reported information is needed for ED to document program and administrative performance on essential indicators described in ED's strategic plan as required by the Government Performance and Results Act.

We are requesting an Emergency Clearance by OMB for the Grant Performance Report (524-B). When the emergency clearance has been granted the Department will submit the same document to OMB for a three year clearance.

Frequency: One time. High-risk grant organizations may be required to report more frequently.

Affected Public: State, Local, or Tribal Gov't, SEAs or LEAs; Not-for-profit institutions; Individuals or household.

Reporting and Recordkeeping Hour Burden: Responses: 6,000. *Burden Hours:* 120,000.

Requests for copies of the proposed information collection request should be addressed to Vivian Reese, Department of Education, 400 Maryland Avenue, S.W., Room 5624, Regional Office Building 3, Washington, D.C. 20202-

4651, or should be electronically mailed to the internet address OCIO_IMG_Issues@ed.gov, or should be faxed to 202-708-9346.
