**RIN 1810–AB01**

[Docket ID ED–2008–OESE–0003]

**Title I of the Elementary and Secondary Education Act of 1965**

**AGENCY:** Office of Elementary and Secondary Education, Department of Education.

**ACTION:** Notice of public meetings on the proposed regulations for Title I of the Elementary and Secondary Education Act of 1965.

**SUMMARY:** On April 23, 2008, the Secretary of Education (Secretary) published a notice of proposed rulemaking (NPRM) in the **Federal Register** (73 FR 22020) to amend the regulations implementing Title I of the Elementary and Secondary Education Act of 1965, as reauthorized by the No Child Left Behind Act of 2001 (NCLB). The Secretary announces a series of public meetings to seek public

comments on these proposed regulations.

*Dates, Times, and Locations of Public Meetings:* See **SUPPLEMENTARY INFORMATION** section for meeting dates, times, and locations.

**SUPPLEMENTARY INFORMATION:** On April 23, 2008, the Secretary published an NPRM in the **Federal Register** (73 FR 22020) to amend certain of the Title I regulations. The purpose of these proposed regulations is to build on the advancements of State accountability and assessment systems over the six years since NCLB was signed into law, while incorporating key feedback from the field into an even clearer vision of what it takes to educate each and every one of our Nation's school children. The proposed regulations would clarify and strengthen current Title I regulations in the areas of assessment, accountability, supplemental educational services (SES), and public school choice. Issuing regulations that strengthen Title I implementation in these areas will help bring about higher-quality assessments and stronger accountability for results, as well as provide parents with the information they need to make informed decisions about public school choice and SES. A copy of the NPRM is available at <http://www.ed.gov/policy/elsec/reg/proposal/index.html>.

The Department is accepting public comments on the NPRM through June 23, 2008. Comments must be submitted in writing to the Department in accordance with the instructions in the NPRM. We look forward to receiving your comments on these proposed regulations to ensure that they accomplish our intended objectives.

**ENVIRONMENTAL PROTECTION AGENCY**

**40 CFR Part 52**

[EPA-R10-OAR-2008-0336; FRL-8559-3]

**Approval and Promulgation of State Implementation Plans: Idaho**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Proposed rule.

**SUMMARY:** The EPA is proposing to approve revisions to Idaho's State Implementation Plan (SIP) relating to open burning and crop residue disposal requirements and visible emissions. The Director of the Idaho Department of Environmental Quality (IDEQ) submitted a draft SIP revision to the EPA on April 15, 2008. The EPA is proposing to approve this draft SIP revision at Idaho's request because, if adopted by the State in its current form, it would satisfy the requirements of the Clean Air Act (hereinafter the Act or CAA). The State has scheduled a public hearing on this draft revision for May 2, 2008.

The Director of the IDEQ also submitted a SIP revision relating to open burning and crop residue disposal requirements on May 22, 2003, which the EPA approved on July 11, 2005 (70 FR 39658). A State public hearing for this revision was held on September 11, 2002. In a ruling issued on January 30, 2007, and amended on May 29, 2007, that approval was remanded and vacated by the U.S. Court of Appeals for the 9th Circuit in *Safe Air for Everyone v. USEPA*, 475 F.3d 1096, amended 488 F.3d 1088 (9th Cir 2007) (SAFE decision). The EPA is re-proposing to approve the portion of the May 22, 2003, SIP revision that would not be changed by the draft SIP revision, if adopted, submitted on April 15, 2008. We are proposing to approve this portion of the SIP revision because it satisfies the requirements of the Act and does not contravene the Court's SAFE decision.
