

# Millennium Challenge Corporation

Reducing Poverty Through Growth

## **Land Survey and Mapping Services**

The Millennium Challenge Corporation (MCC) is a U.S. Government corporation whose mission is to provide assistance that will support economic growth and poverty reduction in carefully selected developing countries that demonstrate a commitment to just and democratic governance, economic freedom, and investments in their citizenry. For more information on the MCC, please visit [www.mcc.gov](http://www.mcc.gov).

MCC seeks a French speaking “géomètre” and/or “cartographe” with knowledge of technical surveying and mapping equipment, material and software (including CORS stations, GPS equipment, aerial and satellite imagery, and GIS software), as well as sensitivity to appropriate application of technical solutions to problems in developing countries. The individual selected will assist the MCC Property Rights and Land Policy team with concept proposal assessment, project design, implementation strategy reviews, specific financial and economic analysis of proposed or approved activities, and/or other issue-based studies as needed. These services may be required prior to final project validation and submission for investment approval, and/or in support of MCC implementation oversight and risk management. Services will be required on an intermittent basis.

Assignments may involve collaborating with government officials, local consulting firms, research entities, or other foreign donors. Based on MCC’s core principle of country ownership, consultants must have proven experience and skills in constructively collaborating with host country institutions. Travel to foreign countries will likely be required.

Candidates will be evaluated in accordance with the following factors:

- 1. Knowledge and experience as a “géomètre” and/or “cartographe”**
- 2. Related experience in developing countries**
- 3. French language proficiency**
- 4. Billing rates**

Applicants should be fluent in English and French. Excellent written and oral communications skills are required. Please email your resume, with adequate information to determine your qualifications relative to the evaluation factors listed above, to [recruitment@mcc.gov](mailto:recruitment@mcc.gov) and include "Land Survey and Mapping Services" in the subject line.

This announcement will be open on a continuous basis until a qualified applicant has been selected. Resumes will be evaluated every two weeks.

The MCC is an equal opportunity employer.
