FEDERAL ASSISTANCE PROGRAM/PROJECT STATUS REPORT

PURPOSE

A concise narrative describing the current status of the effort. The report allows Federal assistance recipients to communicate developments, achievements, changes and problems to the U.S. Department of Energy (DOE).

INSTRUCTIONS

- Item 1 - Enter the Federal grant or agreement identification number for the current year as it appears in the official award.
- Item 2 - Enter the program/project official title as it appears in the award and, if applicable, the project identification number.
- Item 3 - Enter the start and completion dates for the current report period.
- Item 4 - Enter the name and address of the recipient office responsible for managing the project.
- Item 5 - Enter the official start date of the original agreement.
- Item 6 - Enter the official completion date as of the latest modification.
- Item 7 - Provide a description of any changes from the work plan, including technical changes, the explanation as to why these changes occurred, and what the impact on performance will be. If there were no changes during the reporting period, check the box for "none."
- Item 8 - Include a discussion of accomplishments, problems and/or variances, their causes and the effects on the effort. If no performance variances, accomplishments, nor problems occurred during the reporting period, check "none."
- Item 9 - Discuss any unresolved issues or items that require action by DOE or recipient. If there are no unresolved issues which require action or coordination, check "none."
- Item 10 - Present analysis of program/project status, proposed solutions to problems, and future expectations regarding the project. If no deviations from the plan are forecast, enter a check in the box provided.
- Item 11 - Provide a short list of program/project related attachments. If no attachments accompany the report, check "none."
- Item 12 - The recipient should sign and date the report so that, if questions arise, they can be directed to the appropriate individual.
- Item 13 - The DOE reviewing representative, usually the DOE program manager responsible for monitoring the program, signs and dates the form to indicate that it has been reviewed and appears reasonable.
