### **Nevada Test Site Radioactive Waste Disposal Timeline Display At the Pahrump Community Library**

The U.S. Department of Energy, National Nuclear Security Administration Nevada Site Office, Environmental Management Program display, *Radioactive Waste Disposal at the Nevada Test Site*, is currently on exhibit at the Pahrump Community Library through November 17, 2005.

The timeline-design is a historical perspective of activities that took place at the Nevada Test Site from the 1950's to present day, including number of waste shipments.

The public and media are invited to visit the display at 701 East Street, Pahrump, Nevada. Library hours are: Monday through Thursday from 9:00 a.m. – 6:00 p.m. and Friday and Saturday from 9:00 a.m. – 5:00 p.m. For more information on waste management and other Nevada Test Site programs, visit our website at <http://www.nv.doe.gov>.
