

NWTRB E-Gov Content Inventory

The Board has developed the following inventory of the contents of its Web site as required by Section 207(f)(2) of the E-Government Act. The inventory is a comprehensive list of the Board's public-information categories.

All official reports, information, correspondence, testimony, strategic and performance plans, meeting schedules, agendas, transcripts, and Board operating policies developed in accordance with laws and regulations will be made available on the Board's Web site in a timely manner. In addition, any other information deemed public information will be posted on the Board's Web site. All such information is available in a public reading room in the Board offices at 2300 Clarendon Blvd; Suite 1300; Arlington, Virginia 22201. The priority and schedule for posting documents is shown in the table below.

This inventory was posted on October 28, 2005, and will be updated as required by the E-Government Act. The Board will make this information available for public notice and comment, before final determination is made regarding inventory, priorities, and schedules.
