

## Health-E Illinois

**LOYOLA  
MEDICINE**

*Loyola University Chicago  
Stritch School of Medicine*

Health-E Illinois is intended for educational purposes only and does not give medical advice, treatment or endorsement of any listed service. Should you have any healthcare related questions or suspect you have a health problem, you should consult your health-care provider.

This project has been funded in whole or in part with Federal funds from the National Library of Medicine, National Institutes of Health, Department of Health and Human Services, under Contract No. N01-LM-6-3503 with the University of Illinois at Chicago.

## Looking for Answers?

*There is a place to go for help.*

Medical Librarians have created two resources that work together to help health consumers find what they are looking for.

- MedlinePlus® is a website that offers free, high-quality health information on more than 700 topics in English or Spanish.
- Health-E Illinois is a public, online, searchable database of health services located in Illinois.
