

Pre-Course Work

A CD will be mailed on December 5, 2008, with the pre-course work instructions and publications. Below is a duplication.

Pre-course Work Instructions

Please view the ["Instructions for Rx510 PreCourseWork.pdf"](#) before beginning the pre-course work.

The Pre-Course Work consists of two sections:

- Complete the required reading ([Pre Course Work Reading HO 01.pdf](#)).
- Read the Peer Learning Group Description ([Peer Learning Group HO 02.pdf](#)) and electronically fill out the Peer Learning Group Project Description Form ([Project Description Form.doc](#)). You will need to mail your completed form to wo_nafri_training@fs.fed.us website by February 20, 2009.

Publications

Right Click to Download Documents

In the "Publications" folder on the Rx510 Pre-Course Work CD that was mailed to you, you will find various required readings. Some are quite large. Below are links to all of these publications. It is suggested you view the larger files on the CD. Some may result in a long time to download, depending on your bandwidth.

[Fire Management Today](#), Volume 60, No. 3, Summer 2000, 810K

[Modeling Fire Effects](#), 298K

[Wildland Fire in Ecosystems Effects of Fire on Fauna](#), Volume 1, 1.4M

[Wildland Fire in Ecosystems Effects of Fire on Flora](#), Volume 2, 8.4M

[Wildland Fire in Ecosystems Effects of Fire on Soil and Water](#), Volume 4, 11.8M

[Wildland Fire in Ecosystems Fire and Nonnative Invasive Plants](#), Volume 6, 14.8M

[Aspen Ecosystems: Objectives for Sustaining Biodiversity](#), 126K

[A Landscape Perspective for Forest Restoration](#), 116 K

[Fire Effects Guide, last modified 5/31/2001](#), Chapter 1, 86K

Adobe Acrobat Reader is required to view the .pdf files on the Pre-Course Work CD or this web site. If needed, you can obtain it at <http://adobe.com/products/acrobat/readstep2.html>, or click on this logo:

Questions

If you have any questions, call Pete Schwab, Rx510 Course Coordinator, at 520-799-8777, or e-mail to pschwab@fs.fed.us
