NOTE: Hyperlinked Installation Action Plans (IAPs) may not be the latest. FY08 IAPs will be posted until such time FY09 plans are finalized. Information contained in the IAPs does not necessarily reflect requirements that will be solicited in the final Performance Work Statement (PWS). Information contained in Candidate Evaluation Reports (CERs) is based on preliminary evaluations and does not necessarily reflect requirements that will be solicited in the final Performance Work Statement (PWS). Candidate installations, contracting agency and/or projected release date may be changed in order to maximize the achievement of Army FY PBA goals. Refer to the [PBA Guidebook](#) for an understanding of the PBA process.

NOTE: Aberdeen Installation Contracting Division was formerly known as Mission & Installation Contracting Command.

NOTE: The following FY09 PBA candidates have been deferred to FY10: Aberdeen Proving Ground RAO/LTM, Forest Glen, Fort Missoula, Pine Bluff Arsenal and West Point Military Reservation.
