STAG Water and Wastewater Infrastructure Project

**Project Information**

**Grantee State**

OH

**Grantee Name**

Board of Fulton County Commissioners

**Project Name**

Archbold-Pettisville-Wauseon Waterline Connection

**Project Location**

Suite 270

**Purpose of Project**

**Detailed Project Description**

Currently the three communities are independently serving their residents and have utilized each other's systems during emergency events through water shuttling, which is not a reliable method to address drought or fire protection. The proposed waterline project will interconnect and provide a safe and adequate drinking water supply to three communities and three school districts (Archbold, Pettisville and Wauseon) in the event of emergency such as fire, drought and other future demands. Implementing this project would greatly preserve and promote the public health and welfare of the citizens of within these communities; and improve the quality of life in the area.

**Total estimated cost of the project based on facilities plan or preliminary engineering report**

\$1,500,000

**Amount requested (cannot be greater than 55% of the total project amount)**

\$750,000

**Amount received from past appropriations**

None

**Does the community have a financing plan certified by an authorized local official demonstrating how it will cover the 45% matching funds?**

Yes

**Intended Recipient of Funds**

Board of Fulton County Commissioners  
125 South Fulton Street  
Suite 270  
Wauseon , OH 43567

**Is the recipient a for-profit entity?**

No

**Explanation of the request (must include purpose and why it is a valuable use of taxpayer funds)**

The proposed waterline project will interconnect and provide a safe and adequate drinking water supply to three communities and three school districts (Archbold, Pettisville and Wauseon) in the event of emergency such as fire, drought and other future demands. Implementing this project would greatly preserve and promote the public health and welfare of the citizens of within these communities; and improve the quality of life in the area.
