AFRH Chief Operating Officer Fact Sheet No. 7

Subject: Parking and Signage

Applicability: AFRH-Washington Residents, Employees, Contractors and Visitors

1. **Statement:** The Resident Advisory Council and individual Residents requested a detailed review to assess reserved parking for Residents, overall parking policies, signs, reserved locations, and parking lot designation along with other facets of parking policy.

2. **Response:** CDR Soares, Mr. Dickerson, and Chief Waninger met and reviewed the current parking policies and procedures for parking at the AFRH-Washington campus and Directive 4-2, Traffic Regulations. All reserved parking areas and individual parking spots were reviewed as well as all parking lots.

This review resulted in the following determinations:

- The parking lot behind the Sheridan Dormitory will be reserved for Residents only. All reserved spaces for AAFES and Engineers will be removed. However, one space will be reserved for government-plated vehicles.
- A space at the east end of the Scott Building will be designated for 30-minute loading and unloading.
- All spaces reserved for specific departments (i.e., Engineering, Security) will be reduced in number and reserved for government-plated vehicles (vice a specific department).
- Spaces reserved for the Health Care Administrator, Director of Medical Services, and Director of Nursing in front of LaGarde will be moved to the rear of the building.
- Four spaces, closest to the door, in the Pipes Building circle, will be reserved for Residents only, with a 90-minute limit from 7:30am to 4:00pm, Monday through Friday.
- All reserved signs will be removed from the lot adjacent to the old Admissions Building (Building 8) by Eagle Gate.
- Space reserved for the Manager, Bank of America, west end of the Scott Building, will be removed.
- Space reserved for the Chief of Community Affairs, west end of the Scott Building will be removed.
- Spaces reserved for Police and Vehicle Registration in front of the old Security Building will be removed.
- Space reserved for 10-minute parking near the former Administration Building will be removed.
- All spaces reserved for Rose Chapel, adjacent to Rose Chapel, will be removed.
- All spaces reserved for Food Service, behind the DMGI Building, will be removed.
- All outdated signs on the campus will be removed.

TIMOTHY C. COX
Chief Operating Officer
