

Academic License Agreement for PROSPECT

Thank you for your interest in PROSPECT! To obtain an academic license to use PROSPECT, please fill out this form and have it signed. If you are a student or a postdoc, please also get a signature from your research advisor. You can fax the form to Ying Xu at 1-865-241-1965. Upon receiving the form, we will email you the download information and the password.

I agree to use PROSPECT for research purposes only. I will not transfer or redistribute this program to other laboratories. I agree that any public report or publication of results obtained using PROSPECT will acknowledge its use by an appropriate citation (Ying Xu and Dong Xu. Protein threading using PROSPECT: Design and evaluation. *Proteins: Structure, Function, and Genetics*. 40:343-354. 2000.)
