Description of Dental Benefits Provided Under Medicaid and the Children's Health Insurance Program (CHIP) State: Kansas

Updated: June 19, 2009

The following information will identify the general categories of services available in your State. Please note that while a service may be available, you must consult with your dental provider to ensure that the service is medically necessary for your specific condition. For more specific information, please contact your State program.

State Contact: Janelle Garrison Telephone Number: 785-368-6293
