## Description of Dental Benefits Provided Under Medicaid and the Children's Health Insurance Program (CHIP) State: Delaware

Updated: July 15, 2009

The following information will identify the general categories of services available in your State. Please note that while a service may be available, you must consult with your dental provider to ensure that the service is medically necessary for your specific condition. For more specific information, please contact your State program.

State Contact: Annette Lang Telephone Number: 302-255-9604

E-mail Address: annette.lang@state.de.us **Medicaid Program** X Under the Medicaid State Plan dental benefits are provided to eligible individuals under the age of 21 in compliance with the requirements of Early and Periodic Screening, Diagnostic and Treatment (EPSDT) services. State Program Name: Delaware Medical Assistance Program **CHIP Program** CHIP Medicaid Expansion Program ONLY, i.e., offering complete oral health services under Early and Periodic Screening, Diagnostic and Treatment (EPSDT) State Program Name: CHIP Stand-Alone/Separate Program ONLY State Program Name: Dental Services Provided through State-defined benefit package Benchmark Equivalent Program: Name of: Optional Supplemental Dental Coverage for CHIP eligible children with private or group insurance X CHIP Medicaid Expansion and Stand-Alone Program (dental services are as described above) State Program Name: **Delaware Medical Assistance Program** Delaware's dental benefits under CHIP are identical to those defined by EPSDT for the Medicaid Program. If providing dental benefits other than as defined by EPSDT, States must complete the following: **CHIP Stand-Alone Program Dental Benefits** NOTE: Please identify any limits or other criteria using terms commonly recognized by individuals without extensive oral health terminology knowledge rather than using technical dental terminology. For example, use molar rather than posterior, or front versus anterior. Schedule of Services
